Odorless Marigold-Crown of Gold

All-America Gold Medal Winner 1937. First known Marigold with odorless foliage, flower petals curled and quilled of golden orange, sweet scented on long stems, early flowering, plants about 2 ft. tall.

75 seeds 5¢; 200 seeds 10¢.

New Salvia—Blaze of Fire

An outstanding Novelty—plants dwarf and bushy with many flower spikes blooming 10 to 12 days earlier than any other dwarf Salvia and much brighter in color. Ideal for bedding or borders.

30 seeds 10¢; 50 seeds 15¢.

Giant Winter-Flowering Pansies

One of the greatest horticultural introductions in years. Plants grow 2 to 3 ft. high with several strong upright stems bearing many blooms on flower stems 8 to 12 in. long. Grow inside in pots. Culture on pkts. Seeds scarce.. 6 seeds 10¢; 12 seeds 15¢.

MILLS SEEDS

Verbena—Floradale Beauty

Extremely large flowers; the giant florets are usually over an inch across forming very large flower heads, which vary in color from rose-red to bright rose-pink. Easy to grow and very showy in the flower garden.

50 seeds 10¢; 80 seeds 15¢.

Giant ASTER NOVELTY \$100. for Name

Test Packet (20 seeds) included Free with every 1939 Order. Any person after growing it is eligible to enter \$100. naming contest. Rules & instructions on pkts.

This Aster Novelty is being sent out to see if it comes true in all sections. Our Trials produced Giant Flowers in several shades of Lavender with White stripes on edges of petals. It is much more beautiful than Artist's painting of Flower.

52nd Year

52 YEARS SUPPLYING SEEDS

TO A MILLION FLOWER LOVERS:—

We want to encourage planting more *Flowers* everywhere to *Beautify American Homes*. What is more attractive than *Flowers* growing all about the *home grounds*, or along *Streets* and *Highways*.

Many *Annual Flower Seeds* can be planted after danger of frost right where they are to grow and bloom, and we recommend for a color display such annuals as *Zinnias*, *Marigolds*, *Calendulas*, *Cosmos*, *Salpiglossis*, *Godetias*, *Dianthus*, *Portulaca*, *Phlox*, *Cornflowers*, *Nasturtiums*, *Sweet Peas*, *Poppies*, *Clarkias*, *Scabiosas*, *Calliopsis*, *Lupines*, *Strawflowers*, and many others.

Other *Showy Flowers*, but which should be started *inside* or *hotbed* and set out when large enough after danger of frost are; *Petunias*, *Asters*, *Verbenas*, *Larkspurs*, *Celosias*, *Salvias*, *Carnations*, *Snapdragons*, *Ageratums*, *Pansies*, and others. *Seeds* of *high priced* varieties or very *small seeds* should be planted *inside* or in a *protected seed bed* for starting plants.

We are *Donating* to our *Customers* through *Special 1939 Discounts* *Thousands of Dollars Worth* of *Seeds* to encourage them to *beautify* their surroundings with more *Flowers*, and are making it possible to do so at very small expense.

MILLS SEEDS are all sold through *MAIL ORDERS* from our annual *Seed Books*, and can be had only by *Ordering Direct* from *MILLS SEED HOUSE*.

Instructions for Ordering Mills Seeds

Please use our Order Blank when ordering, if possible, which you will find in this Seed Book and be sure to sign your name and give full address on every order or letter you send us. Enclose remittance with each order and do not ask us to send C. O. D. unless absolutely necessary for it delays delivery.

Free Delivery — Prompt Service

We pay postage on everything offered in this Seed Book. This means we deliver postpaid to any Post Office in the United States or Possessions. You can depend on prompt service. Order early as possible.

How to Make Remittances

We have been doing a strictly cash-with-order business for 52 Years and you run no risk in sending remittance with order. We refer you to hundreds of thousands of our customers all over the world.

Remit by Post Office or Express Money Order, Draft or Registered Letter. If Cash or Postage Stamps are sent we cannot be held responsible for safe delivery unless registered. (See our Special Offer on Order Blank if Money Order is used.) No foreign postage stamps or foreign coin accepted.

Canadian and Foreign Orders

We mail Flower and Vegetable Seeds to Canada and Foreign Countries if additional 10 percent of the total amount of the order is included in the remittance to cover the extra packing and postage.

INDEX—See Inside Back Cover.

52 Years Experience

is back of Mills Seeds. Our trade has increased year by year and this should be the best proof that MILLS SEEDS give satisfaction.

The Mills Guarantee

FIRST — We guarantee the Vitality and Purity of our Seeds to the full amount of the purchase price if properly planted. Even with the highest quality of Seeds, success depends largely upon soil, not too deep or too shallow planting, cultivation and weather conditions after planting. It is, therefore, agreed that in no case shall we be liable for more than the amount actually paid, and if not accepted on these conditions, they must be returned at once.

SECOND — We guarantee the safe arrival of all Seeds in good condition, and should anything be damaged or lost on the way we will refill when proof is furnished. This is the Double Guarantee that protects all who purchase MILLS SEEDS.

New 1939

DISCOUNTS

We cannot allow any Discount on small Orders when they amount to less than \$1.50. ALL DISCOUNTS start at \$1.50 ORDERS.

NEW AND MOST OUTSTANDING NOVELTIES AND SPECIALTIES

HOLLYHOCK—INDIAN SPRING

PETUNIA—SALMON SUPREME

PANSY—BABY DELIGHT

NEW AGERATUM
FAIRY PINK

New Hollyhock—Indian Spring

This is a beautiful New Semi-Double Annual Hollyhock and a great improvement on any Annual Hollyhock we have ever grown. If seeds are sown in early Spring and plants transplanted in the open ground about 6 weeks later, they should be in full bloom 10 weeks later.

Plants grow from 4 to 6 feet tall, entire plant being covered with semi-double flowers about 5 inches across from Pink to Crimson-Rose color. Seed of this rare Novelty is very limited this year.

Eight seeds 10¢.

Yellow Calla Lilies

Do you know that these superb Golden Yellow Calla Lilies can be grown from seed and come true? Seed germinates in a few weeks.

Few flowers are so colorful and lasting, the rich green foliage being attractively spotted with white. Sow seed any time to produce the beautiful flowering plants. Planting instructions on each packet. This Yellow Calla is a shy seeder which makes seed very limited.

Six seeds 15¢.

White Calla Lilies

These Callas may also be grown from seed. They produce large trumpet-shaped pure white flowers and broad green leaves.

Pkt., 15 seeds 10¢; 25 seeds 15¢.

New Petunia—Salmon Supreme

This is an outstanding Petunia making attractive round-shaped plants covered with flowers about 2 inches across, of a beautiful rich shade of Salmon color, a new color in Petunias.

Pkt., 75 seeds 10¢; 125 seeds 15¢.

New Scabiosa—Rosette

This is a new creation in color for Annual Scabiosa. Rosette is a beautiful shade of deep rose heavily suffused with salmon, a shade almost impossible to reproduce in printing. Flowers are extra large and the stems long and stiff. This glorious new color will make Rosette very popular.

Pkt., 30 seeds, 5¢; 70 seeds 10¢.

Pansy—Baby Delight

A Novelty of unusual merit. It is a lovely blue Pansy; plants do not exceed 4 inches in height and make a compact bushy growth. It is very early to flower under favorable conditions, from 70 to 80 days from sowing seed. The plants covered with waved blue flowers are a beautiful sight; ideal for rock gardens or borders.

Pkt., 40 seeds 5¢; 150 seeds 15¢.

Ageratum—Blue Cap

Plants are tiny mounds of flowers which are large and compact, and of a dark rich blue. Foliage is small and inconspicuous, so the effect is that of a solid mass of flowers making a narrow ribbon of blue around a flower bed.

Pkt., 400 seeds 5¢; 1000 seeds 10¢.

New Ageratum—Fairy Pink

This is the first Pink Ageratum we have ever offered. It is dwarf and compact and of a delightful soft salmon rose-pink color. Begins blooming when plants are not more than 1½ to 2 in. high, and continues to grow until it is a mass of blooms.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Pansy—Coronation Gold

The largest pure gold self-colored Pansy with lower petals flushed golden orange. Flowers have a spicy scent; edges are ruffled, stems long, and are highly prized by all who have grown them. The Gold-Colored flowers are very effective.

Pkt., 40 seeds 10¢; 70 seeds 15¢.

YELLOW CALLA LILIES

SCABIOSA—ROSETTE

AGERATUM—BLUE CAP

PANSY—CORONATION GOLD

Testing House and Grounds

NEW AND MOST OUTSTANDING NOVELTIES AND SPECIALTIES

New Godetia—Dwarf Ruby
Imagine a compact little plant 12 in. tall and 18 in. in diameter covered with hundreds of deep ruby-red flowers. That is the striking appearance made by this Godetia Novelty. It is a beautiful annual and will make a very desirable flower for bedding or borders.
40 seeds 5¢; 100 seeds 10¢.

Marigold—Golden Harmony
A Novelty introduced this season, plants 10 to 12 in. tall literally covered with hundreds of flowers, quilled Scabious type, bright golden yellow; comes 100% double and blooms for a long period.
35 seeds 5¢; 80 seeds 10¢.

Gypsophila—Improved London Market
This annual is an improved strain producing very large pure white flowers in large sprays in great abundance on plants about 2 ft. tall.
300 seeds 5¢; 750 seeds 10¢.

Star of the Desert

An attractive new flower from the African desert, easily grown from seed. When blooms are cut for decoration they are graceful flowers on long stems and will keep their lovely deep lavender color for a week.

30 seeds 5¢; 70 seeds 10¢.

Petunia—Lace Veil

The best pure white large flowering single daintily fringed Petunia.

75 seeds 5¢; 200 seeds 10¢.

Gypsophila—Imp. London Mkt.

Marigold—Little Giants

Real Novelty, plants 10 to 12 in. tall, producing many beautiful large flowers in a color range from yellow to very bright orange with many shades between. 25 or more flowers on one little plant at a time is not uncommon.

30 seeds 5¢; 70 seeds 10¢.

New Aster—The Clown

An attractive new Aster, strong branching plant from 12 to 18 in. tall; flowers large and very showy of a coppery rose color with curly petaled center of white. Unusual flower color.

30 seeds 5¢; 70 seeds 10¢.

Lilies from Seed

Philippinense Formosanum
Claimed one of the most wonderful Lilies grown from seed; if sown early some blooms may be expected in Fall and all bulbs will bloom the next Summer.

Mrs. Randolph, Clayton, Ga., sends photo and writes: "These Lilies were grown from your seeds planted in June and transplanted to 50 ft. row late in Fall. They had no extra care nor protection during Winter and in Spring made rapid growth; by July were over 4 ft. tall and in Sept. were still blooming. Photo was taken Aug 12th. My little daughter 8 yrs. old is shown in the picture."

Flowers are purest white tinted purple outside and about size of Easter Lilies; have delightful fragrance and are fine for pot culture or the garden, are hardy and bulbs increase year after year. Culture on packets.

100 seeds 5¢; 250 seeds 10¢.

Instructions

This 50c Discount Coupon is not good on Orders for less than \$1.50, and must be enclosed with Order when used.

CAUTION—If this Coupon is not enclosed with your Order, but sent us separately later asking for 50¢ Discount in Seeds on the Order previously sent us, 25¢ must be enclosed to pay us for extra expense of packing, labor and postage to make up a second Package to mail you.

NEW AND MOST OUTSTANDING NOVELTIES AND SPECIALTIES

NEW ROSE TREE BALSAMS

Wonderful New Balsam—bushy branching plants literally covered with double rose-like blooms. Plant shown here grown in our Trials had 492 buds and flowers at one time. Seeds very limited.

Mixed—Pkt., 30 seeds 5¢;
75 seeds 10¢.

GIANT MORNING GLORIES

Flowers of giant size, recommended for pots or window boxes but can be grown outside as a vine.

If runners are pinched off 2 or 3 times plants will form dwarf compact shape and produce giant flowers. See photo.

Seeds mixed and produce shades and colors such as sky-blue, red flaked white, pink, purple and others.

Pkt., 40 seeds 5¢;
100 seeds 10¢.

NEW ANNUAL CARNATIONS

Claimed to be earliest of all, producing large double flowers of delightful fragrance in several colors about 4 months from seed.

Plants branch freely producing flowers on long stems, quite hardy, flowering until late Fall, then can be potted for Winter blooming.

Mixed—Pkt., 70 seeds 5¢;
150 seeds 10¢.

Weeping Palm

A house Palm easily grown from seed; well adapted for pot culture or outside. The attractive fan-shaped leaves of rich dark green, beautifully fringed with long thread-like filaments make it most attractive. Culture on packets.

Pkt., 8 seeds 10¢;
12 seeds 15¢.

Navajo Zinnias

Two-tone Zinnias, very attractive, medium size reminding one of colors in Navajo rugs; very early, beginning to flower about 45 days from seed. Very attractive.

Mixed—Pkt., 50 seeds 5¢;
125 seeds 10¢.

Tigridias from Seed

You can raise Tigridias from seed; few flowers are more gorgeously colored in many varied shades and hues, plants grow about 2 ft. tall, bloom nearly all Summer, in wide range of colors. Dig and store bulbs in Fall. Plant again in Spring.

Mixed—Pkt., 40 seeds 10¢;
75 seeds 15¢.

Novelty Aster

FLAMING ROSE PETUNIA

Plant rounded in form, literally covered with flaming rose flowers about 2½ in. in diameter. Photo above of one plant produced 585 Buds and Flowers in August.

Pkt., 100 seeds 5¢;
225 seeds 10¢.

Cornflower—Jubilee Gem

Plants about 1 ft. tall, compact, literally covered with double dark vivid blue flowers, fine for rock gardens, edgings or pots. Pkt., 40 seeds 5¢;

100 seeds 10¢.

Begonia—Stars and Stripes

New Double Tuberous-Rooted Begonia with markings of stars and stripes on the double flaming red flowers; young plants have produced over 50 blooms each.

Pkt., 100 seeds 10¢;
250 seeds 20¢.

RAINBOW DROPS

Attractive flower and should be better known; plants 10 to 12 in. tall producing hundreds of attractive 5-petal flowers in many tints, shades and hues; blooms freely in few weeks.

Mixed—Pkt., 200 seeds 5¢;
500 seeds 10¢.

**SNAPDRAGONS
ART SHADES**

Here is something very special in Snapdragons and cannot be duplicated anywhere. It is the result of many years of cross breeding, is rust-proof, with about 40 Art shades and colors. We have wonderful reports on them.

Pkt., 200 seeds 5¢;
500 seeds 10¢.

Verbena—Crimson Glow

A vivid colored Verbena; flowers are pure self-colored, a rich glowing crimson without even a small light eye.

Pkt., 60 seeds 5¢;
150 seeds 10¢.

DAZZLER ZINNIAS

Enormous sized flowers of dazzling red color on strong tall branching plants. One of the most gorgeous reds we know of. If you like red flowers, grow this Zinnia. It is a Dazzler for the border.

Pkt., 70 seeds 5¢;
150 seeds 10¢.

BEAUTIFUL ANNUAL FLOWERS OF EASY CULTURE

Alyssum

Showy little plants for borders, beds, or rock gardens.

Alyssum—Carpet of Snow

CARPET OF SNOW. Produces pure white flowers; dwarf, compact habit, about 4 inches high. Begins to bloom when very small and is a solid mass of white from early Summer to Autumn.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

LILAC QUEEN. Flowers a lavender-lilac in color, of compact growth, about 6 inches high.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

SWEET (Maritimum). Low-growing and sweet-scented variety, for edgings, window boxes, etc. Pkt., 600 seeds 5¢; 2000 seeds 10¢.

Ageratum *Floss Flower*

Grows quickly and blooms profusely all Summer and is fine for beds or borders.

Ageratum—Blue Ball

BLUE CAP—See Page 3.

FAIRY PINK—See Page 3.

BLUE BALL. One of the best blue bedding plants, only 4 to 5 inches tall, covered with blooms from Summer till frost. Pkt., 500 seeds 5¢; 1500 seeds 10¢.

PRINCESS. A beautiful variety having sky-blue flowers with white center, 8 inches tall. Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Dwarf Mixed. White and blue varieties. Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Candytuft—Iberis

Beautiful annuals that bloom in 6 to 8 weeks from seed.

Candytuft—Mixed

MINIATURE GEM. A very dainty white miniature hyacinth flowered, only about 4 inches tall. Pkt., 200 seeds 5¢; 500 seeds 10¢.

ROSE CARDINAL. Very attractive in rich shades of rosy red and crimson.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

GIANT HYACINTH FLOWERED. Plants branch into large spikes of pure white flowers, resembling Hyacinths.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

ALL COLORS MIXED. White, rose, crimson, lilac and others. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Gypsophilla *Baby's Breath*

Quick-growing annual covered with small, open, star-like flowers, borne in great sprays, does well in any soil, highly esteemed when combined in bouquets.

Gypsophilla—White

WHITE. A small, pretty flower, strong plants, blooming freely.

Pkt., 600 seeds 5¢; 1500 seeds 10¢.

CARMINE. Bears a profusion of bright carmine flowers on slender stems.

Pkt., 600 seeds 5¢; 1500 seeds 10¢.

Mixed Colors. White, carmine, rose, an attractive combination. Pkt., 800 seeds 5¢; 2000 seeds 10¢.

PERENNIAL GYPSOPHILA—Page 32.

MILLS GORGEOUS ASTERS — Wilt-Resistant Strains

Mills Asters Grown by Mrs. Barrett, Watertown, S. D.

For many years Asters have been one of our specialties. Flowers may be had throughout the Summer and Fall by growing early, mid-Summer, and late varieties.

Asters are easy to grow, and if you have had poor success, try our Wilt-Resistant strains this year marked with *.

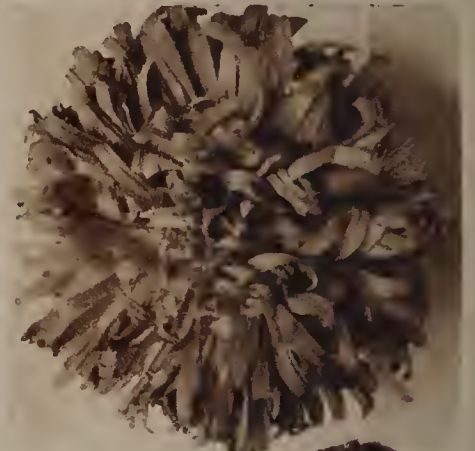

***GIANT ASTER NOVELTY**—\$100 for Name. See Front Cover.

*American Beauty

A beautiful type of Asters with large flowers fully double, plants 2 to 2½ feet tall bear a profusion of blooms, on long, strong stems. Mixed. All colors.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

*Giant Crego

Produce flowers 4 to 5 inches in diameter on long stems with petals gracefully curled and twisted resembling Chrysanthemums. Mixed—all colors.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

*Giant Illusion

New color in Asters—soft pastel shade of apricot-pink, very attractive. Plants of upright growth, stems long with large blooms. By cutting the whole plant it makes a full bouquet. Pkt., 50 seeds 5¢; 150 seeds 10¢.

*Glare of the Garden

Giant single flowering Aster, curled and interlaced petals with yellow center. One of the reddest of all singles, strong grower, stems long, blooms early.

Pkt., 60 seeds 5¢; 150 seeds 10¢.

***Red Sensation** Reddest of all Red Asters, rich garnet-red, double flowers; mid-Summer very showy. Pkt., 100 seeds 5¢; 225 seeds 10¢.

Mills Asters Grown by Mrs. Koster, Monroe, Mich.

OSTRICH FEATHER FANCY YELLOW

IMBRICATED POMPON

CALIFORNIA SUNSHINE

Ostrich Feather—Fancy Yellow

This Yellow Aster is coming a better yellow every year as we improve our stock and our customers' reports show that it is giving splendid results.

Pkt., 50 seeds 5¢; 125 seeds 10¢.

Lilliput—Bouquet Asters

Also known as Button Asters are very attractive, and greatly admired. Plants grow from 6 to 10 inches tall and are covered with flowers, each plant making a bouquet of itself. The colors are bright and clear, in different shades. Can be used as pot plants. Mixed.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Super-Giant El Monte

Very beautiful, strong grower, flowers extremely large and fluffy, a deep glowing crimson with interlaced plume-like petals.

Pkt., 50 seeds 5¢; 150 seeds 10¢.

Imbricated Pompon

Plants upright growth 12 to 14 inches, blooms profusely, quite early, flowers round very double, cushion centers with outer petals, wonderful bloomers. Bright colors in a mixture.

Pkt., 60 seeds 5¢; 125 seeds 10¢.

***Blue Flame** Attractive new Aster, color a pleasing blue distinct from other blue or purple Asters, of the giant class, large flowers fully double on robust branching plants. Pkt., 50 seeds 5¢; 150 seeds 10¢.

Super-Giant Los Angeles

One of the largest, fully double Asters known. Perfectly formed flowers with interlacing and graceful petals, with lovely soft shell pink color of artistic beauty. Flowers are from 5 to 7 inches across, on long stems, fine for cutting.

Pkt., 50 seeds 5¢; 150 seeds 10¢.

*Giant Ostrich Feather

Large branching Asters with giant fluffy flowers on long stiff stems; petals curled and twisted in beautiful shades of Crimson, Blue, Rose, Pink and White. Mixed.

Pkt., 75 seeds 5¢; 200 seeds 10¢.

***Golden Sheaf** A beautiful New Aster, one of the deepest yellow yet offered and the only yellow wilt-resistant. Flowers are double with unusually attractive crest-like center, deep petals and last well after cutting.

Pkt., 50 seeds 5¢; 150 seeds 10¢.

Giant California Sunshine

A lovely Aster and considered by many the most beautiful. Flowers 4 to 5 inches across, outer petals somewhat loosely placed, creating a lace-like effect. Shades of pink, apple blossom, rose, blue and lavender, with various tints form the disc-like center.

Mixed. Pkt., 50 seeds 5¢; 150 seeds 10¢.

LILLIPUT—BOUQUET

EL MONTE

BLUE FLAME

LOS ANGELES

GOLDEN SHEAF

Mills Wilt-Resistant Asters

*SPECIAL MIXTURE

Asters have been one of our specialties for many years. Work has been going on for some time to produce a strain of Asters resistant to the Fusarium Wilt Disease, which has caused so much trouble to both amateur and professional growers.

Prevention through Wilt-Resistant strains is the only method of controlling the disease and from the hundreds of letters from our customers all over the United States telling of the excellent results, we feel sure our Wilt-Resistant strain is a great success.

We are offering a Special Mixture of large flowering Asters all grown from Wilt-Resistant stock. This mixture is made up of different colors in such kinds as Crego, Comet, Royal, Ostrich Feather, Branching, Astermum, Beauty, Sensation and others.

Asters are still the most popular autumn annuals, and we ask all Aster lovers to try this strain.

Special Mixture for 1939.

Pkt., 100 seeds 5¢; 225 seeds 10¢; 500 seeds 20¢.

FLOWER GARDEN OF MRS. BERBECK, EUREKA, CALIF.
GROWN FROM MILLS SEEDS

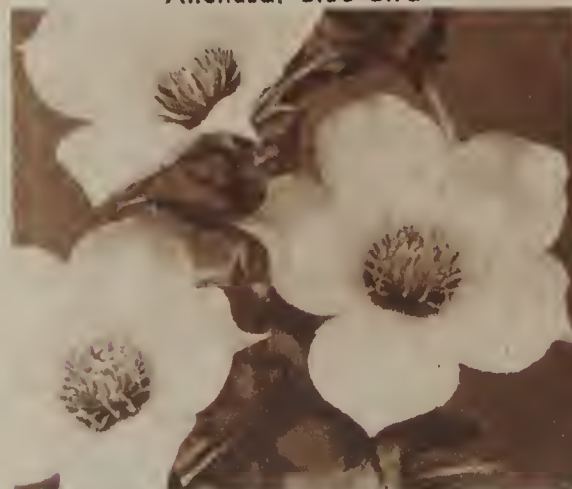

Arctotis Grandis Hybrids

Agapanthus—Blue Lily of the Nile

Anchusa. Blue Bird

Bartonia—Golden Star

Arctotis (Blue-Eyed African Daisy). **GRANDIS**. From South Africa, grows about 2 feet high, forming bushes with flowers large, pure white on the upper surface, and the under side of petals, a pale lilac-blue. Flowers about 2½ inches across. Plants bloom from July until frost.

Pkt., 125 seeds 5¢; 300 seeds 10¢.

Amaranthus—Summer Poinsettia

These are attractive plants, have bright leaves, and showy clusters of blooms.

SALICIFOLIUS (Fountain Plant). Hardy annual, 4 feet tall, long, narrow leaves droop and curl and by mid-Summer these leaves show brilliant colors, looking like a little colored fountain.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

CAUDATUS (Love-Lies-Bleeding). A brilliant foliage annual about 3 feet tall having curious, long drooping racemes of fiery red flowers. Very ornamental and useful in the border of tall plants.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Agapanthus—Blue Lily of Nile

One of the showiest plants you can grow for decoration on the lawn or in the garden during the Summer. Plants should be kept in large tubs or pots for the best results, for it is not hardy in the North. This charming blue lily with its bright green foliage and large clusters of flowers on plants about 3 feet tall are very attractive and make a pleasing effect wherever grown. Growing instructions on packets.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Abronia—Sand Verbena

UMBELLATA. A very interesting and rapidly growing trailing plant, which may be used for planting in boxes, rock borders, or any location where trailing plants are useful. They often grow stems to a length of 3 to 4 feet, covered with rosy lilac flowers during Summer and Fall.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Anchusa Summer *Forget-Me-Not*

BLUE BIRD. Easily grown annual. Plants grow about 18 inches tall producing beautiful Forget-Me-Not-like deep blue flowers, which are borne continuously until frost.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Argemone—Mexican Poppy

GRANDIFLORA HYBRIDA. An interesting annual with whitish green foliage, very ornamental with its grayish green color with silvery ribs, with large, poppy-like flowers in yellow, cream, primrose and white. Easily grown from seed and thrives in a sunny position, 3 feet.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Balsam—Lady's Slipper

Balsams are one of the showiest of annuals; easy to grow, blooming from July until frost, 15 to 18 inches.

NEW ROSE TREE—See Page 5.

PINK. Blooms are double; pink color.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

SCARLET. A rich, fiery scarlet shade, very double and attractive.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

CHOICE MIXED. A wonderful collection of colors, containing nearly all colors in Balsams; will make a gorgeous display.

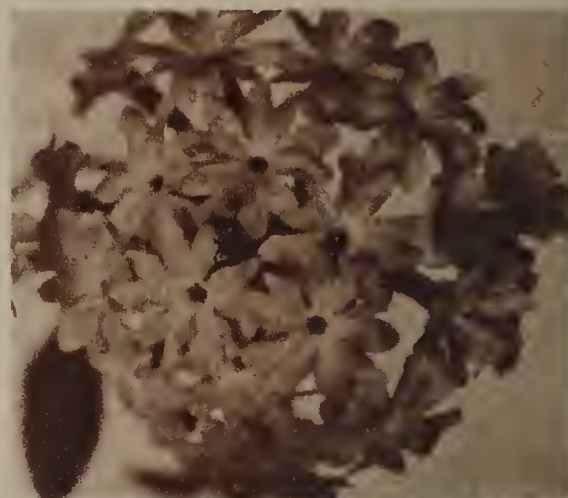

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Bartonia—Golden Star Showy annual growing 12 to 18 inches tall; excellent for beds and borders, producing rich golden yellow flowers. Leaves covered with a mass of soft white hairs, giving the plant a downy appearance.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Amaranthus—Fountain Plant

Abronia—Sand Verbena

Argemone—Mexican Poppy

Double Balsam—Pink

ORANGE SHAGGY

Sunshine It has wide petals, loosely arranged, incurved at center, somewhat like a Chrysanthemum; clear Buttercup yellow on long stems. A very profuse bloomer and one of the showiest Calendulas.

Pkt., 75 seeds 5¢; 200 seeds 10¢

CALENDULAS

Annuals—Bloom all Summer until Frost.

Orange Shaggy New creation in the Calendula—color a two-tone effect with deep orange shading to lighter color at the center. Petals fringed overlapping each other in an irregular manner. Very attractive.

Pkt., 60 seeds 5¢; 125 seeds 10¢.

Campfire A new type producing double brilliant orange flowers having a crimson or scarlet sheen on long stems.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Pastel Bedding

CHINESE WOOLFLOWER

Fire Feather

Very attractive dwarf compact plants about 1 foot tall, many producing over 20 branches, each tipped with silky plumes of fiery scarlet color being one of the showiest. Fine for beds, borders or pots.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Orange Flare

A lovely new early orange colored Cosmos. Flowers vivid orange on long stems, plants 2 to 3 ft. tall with light green foliage. Earliest of all Orange Cosmos. Pkt., 50 seeds 5¢; 125 seeds 10¢.

COSMOS

Very popular Annual beginning to flower in July, but reaches its height of beauty in Fall.

Sensation Very early, giant flowering, with broad heavy fluted petals, on long strong stems, in white and shades of rose and pink.

Mixed—Pkt., 50 seeds 5¢; 125 seeds 10¢.

Double Crested An early double Cosmos, center of flower crested often different in color than petals. Plants often 3 to 4 feet tall.

Mixed—Pkt., 100 seeds 5¢; 250 seeds 10¢.

SENSATION

DBL. CRESTED

Early Express

A very early bloomer and best for sections having a short growing season, flowers in about 60 days from seed, in crimson, rose and white.

Mixed—Pkt., 125 seeds 5¢; 300 seeds 10¢.

Art Shades

A new strain of Phlox with very large flowers in a wonderful range of colors in soft Art Shades. A most beautiful mixture and a color combination never before seen in annual Phlox. Plants grow 8 to 10 inches high and bloom profusely.

Mixed—Pkt., 100 seeds 5¢; 250 seeds 10¢.

PHLOX—Annual

Easy to grow and one of the most brilliant for color.

Dwarf—Compact

Best Phlox for bedding or borders. Plants average only 6 to 8 inches high and are covered with bright flowers during Summer and Fall in many colors.

Mixed—Pkt., 100 seeds 5¢; 250 seeds 10¢.

DWARF PHLOX—MIXED

Gorgeous Phlox Mixture

For richness of coloring nothing can excel this great annual Phlox mixture. Grows about 15 inches high and all through the Summer large trusses of brilliant flowers are produced in gorgeous colors and markings, and we know it will please every one. Our artist painted the colors from blooming plants.

Mixed—Pkt., 200 seeds 5¢; 500 seeds 10¢.

Chrysanthemum—Eldorado

Chrysanthemum—Japanese Mountain

Cacalia—Tassel Flower

Dimorphotheca—African Daisies

SUMMER CHRYSANTHEMUMS

Of easy culture and showy in the garden. **ELDORADO.** A very attractive annual Chrysanthemum with petals of a bright canary-yellow and large center disc of mahogany color. A good plant for the annual border.

Pkt., 150 seeds 5¢; 350 seeds 10¢.

JAPANESE MOUNTAIN—Double Anemone Flowered. This is a beautiful Chrysanthemum grown from seed, producing both double and single flowers. These flowers are quilled as shown in photograph, measuring from 2 to 3 inches across. The colors are very bright and varied with a wonderful assortment, such as golden, bronze, red, pink.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

SINGLE MIXED. A very fine collection of colors in yellow, pale primrose, pure white and other shades.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

CORONARIUM, DOUBLE MIXED. Beautiful shades, white and yellow. Grows about 15 inches tall, blooms freely.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Chorizanthe Palmeri

(Turkish Rugging)

An odd and interesting annual for the border or rock garden, easily grown and forms a mass of statice-like delicate pink flowers, blending beautifully with the dull green foliage, which changes color in the Autumn. About 8 inches high with spread of 12 to 18 inches.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Cleome (Giant Spider Plant) **GIANT ROSE.** Plants grow 3 to 4 feet tall and well branched, each branch terminated by a large head of flowers, fine for large beds or borders. Sow seed in open ground as soon as weather is settled, giving them a warm, sunny location and they will produce plants and bloom in from 8 to 10 weeks. The flowers attract humming birds and bees.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Cacalia—Tassel Flower A brilliant orange and scarlet flowered annual which attracts attention in any garden. Each flower is a miniature paint brush, produced on long, wiry stems which make it an excellent cut flower. It is also a splendid rockery plant.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Dianthus—Annual Garden Pinks

DOUBLE. Nearly as fine as Carnations for cutting, flowers very double, 2 inches across, in beautiful shades and markings with a delightful spicy odor. **Mixed.**

Pkt., 300 seeds 5¢; 800 seeds 10¢.

SINGLE. Unsurpassed for profusion of bloom all Summer in most brilliant effects for beds and borders, flowers mottled, flaked, spotted and striped in a great diversity of colors. **Mixed.**

Pkt., 500 seeds 5¢; 1200 seeds 10¢.

DOUBLE AND SINGLE MIXED. Our Special Mixture. A most complete mixture of double and single flowering, many flowers 2 inches in diameter. A wonderful assortment of beautiful colors and tints.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

SWEET WIVELSFIELD. This annual Dianthus resembles Sweet William somewhat, but flowers are larger, a much wider range of colors, and continues to bloom until frost. Many of the flowers have dainty markings and sweet perfume, making them attractive.

Mixed, Pkt., 100 seeds 5¢; 300 seeds 10¢.

Dimorphotheca

Star of the Veldt—African Daisies

These annuals are easy to grow and are admired for their bright blossoms which are among the earliest to come in the Spring. They form compact bushy plants and bloom from early Summer until frost. In a border or massed bed they make a gorgeous display of color. **Hybrids Mixed.**

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Ice Plant An odd and very useful annual plant with foliage covered with ice-like globules which glitter, giving the plant a frosted ice appearance. Grows 6 inches high and produces small pinkish-white flowers. A valuable plant for dry, sandy spots, the Rock Garden or the border.

Pkt., 100 seeds 5¢; 1000 seeds 10¢.

Chorizanthe Palmeri—Turkish Rugging

Cleome

Dianthus—Sweet Wivelsfield

Dianthus—Double & Single

Euphorbia, Snow on Mountain

Freesias from Seed

Four O'Clocks

Gilia Capitata

Euphorbia—Snow on Mountain

VARIEGATA. An unusual annual and a favorite for mass planting, having showy and distinct plants with very attractive foliage, dark green leaves edged and margined with clear white; grows about 2 feet. Pkt., 125 seeds 5¢; 300 seeds 10¢.

Euphorbia—Mexican Fire Plant

HETEROPHYLLA. An attractive annual, fine for beds or borders. It resembles in habit and color the beautiful Poinsettia, the top leaves of the plant in mid-Summer being a brilliant scarlet, presenting a striking appearance. Plants grow 2 to 3 feet high. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Eschscholtzia—California Poppies

A very showy quick-growing and free-flowering annual, blooming the entire season. The plants grow 9 to 12 inches high.

New RAMONA—FRILLED FLOWERS A lovely new type with extremely large beautifully frilled and fluted flowers in glittering coppery gold and pinkish shades on neat growing plants which form a compact mass of flowers.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

GOLDEN WEST. Bright yellow with a blotch of orange at the base of petals. Pkt., 300 seeds 5¢; 800 seeds 10¢.

SCARLET BEAUTY. Bright scarlet blooms. Pkt., 200 seeds 5¢; 500 seeds 10¢.

ROSY QUEEN. Rosy pink flowers shaded to lighter tints in center with satiny finish. Pkt., 100 seeds 5¢; 300 seeds 10¢.

SUNSET MIXTURE. If you want a wonderful display of bright colors from early Summer until frost, sow a bed or border of this Sunset mixture. Very showy. Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Freesias—From Seed

This dainty and fragrant house plant may be started from seed and will bloom in from 5 to 6 months after sowing. Flowers in the most delicate shades of lavender, yellow, blue, purple and white, many having beautiful tints are produced on long slender stems giving them delicate appearance. **Rainbow Mixture.** Pkt., 60 seeds 5¢; 125 seeds 10¢.

Feverfew—Matricaria

CAPENSIS ALBA. Plants grow 15 to 20 inches tall and are covered with neat double white flowers. Fine for borders. Pkt., 400 seeds 5¢; 1000 seeds 10¢.

GOLDEN BALL. Compact bushy plants about 8 inches high, covered during Summer and Fall with bright yellow, double flowers. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Four O'Clocks—Marvel of Peru

Free-flowering annual; very ornamental, quick-growing; quite bushy. Flowers open early in the morning and close during mid-day, again opening about 4 o'clock. **TALL MIXED.** Grows about 2 feet. Pkt., 40 seeds 5¢; 100 seeds 10¢.

DWARF MIXED. Grows about 18 inches. Pkt., 40 seeds 5¢; 100 seeds 10¢.

Gaillardia—Blanket Flower

A very showy garden annual growing about 15 inches high, easily produced from Spring sown seed and the large flowers 2 and 3 inches across are borne from early Summer until frost. Their bright colored blooms make a gorgeous display. Grown in masses they are specially effective. **Mixed:** Pkt., 200 seeds 5¢; 500 seeds 10¢.

Gazania Splendens

Hybrida Grandiflora A very showy half-hardy perennial which flowers the first year from an early sowing. The plants are low growing, with a goodly quantity of long stemmed, very showy, daisy-like flowers in brilliant shades of orange, yellow, cream and white. Pkt., 40 seeds 5¢; 100 seeds 10¢.

New Gilia—Bunch of Lilac

An easily grown annual plant, very attractive and rather upright and compact in habit, covered with dainty single flax-like flowers of clear lavender blue on long stems, excellent for cutting. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Gilia Capitata—Thimble Flower

Very graceful annuals growing about 2 feet high, with fine feathery foliage and bearing globular heads, one inch across, of rich, lavender-blue flowers. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Eschscholtzia—Sunset Mixed

Eschscholtzia—Ramona

Gaillardia

Gazania Splendens

Gilia—Bunch of Lilacs

DWARF CUP FLOWER

A new attractive flower. Plants grow only 4 to 6 inches high and start blooming when very small and in a short time are smothered in cup-shaped flowers lavender-blue with small yellow eye; fine for window-box or pots, border, or rock garden.

Pkt., 50 seeds 10¢; 125 seeds 20¢.

CUPHEA
FIRE FLY

Dwarf compact plants producing great quantities of small delicately formed flowers a fiery cerise-red color; a plant when in full bloom appears almost like a ball of fire. Fine for rock gardens, window boxes, flower-pots; blooms readily in 12 to 14 weeks from seed.

Pkt., 50 seeds 10¢; 80 seeds 15¢.

MOLTEN FIRE

CELOSIA—FLAME OF FIRE

Snapdragons—Antirrhinum

Very Popular Annuals for the Garden.

Mills Giants These Giant or Maximum Snapdragons (Antirrhinum) represent the latest development in beautifully formed flowers in a wide range from delicate pastel shades to vivid colors. They are well called Aristocrats of the Garden.

The long, strong spikes with dark glossy leaves and beautiful flowers completely encircling the spike are gorgeous for cutting. Seed sown early blooms from July to frost. Plants cut back, potted in Fall will bloom in Winter.

Mixed—Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Celestial Salmon Rose

This is a beautiful Snapdragon, plants grow 12 to 15 inches tall, each plant quite uniform in size, branching freely throwing up several flower spikes about 1 ft. long salmon-rose color.

A large bed of Celestial Rose growing in our Trial Gardens the past season was greatly admired by all.

Pkt., 100 seeds 5¢; 300 seeds 10¢.

CELESTIAL SALMON ROSE

GIANT SNAPDRAGONS—MIXED

Molten Fire

Huge Tufts of Flaming Fire Color. Makes a showy plant for the tall border or lawn and single specimens can also be grown in pots for house decoration. It is a beautiful plant of the Amaranthus family, having bronze colored foliage until it attains the height of about 3 feet, when the tips of the branches open up like gigantic dahlias of a brilliant color, increasing in size until the whole plant is illuminated with huge poinsettia-like tufts of flaming fire color.

Pkt., 100 seeds 5¢; 225 seeds 10¢.

Gladiolus—From Seed Our seed is saved from large plantings of choice varieties including prize winning sorts and new and rare introductions.

This seed will produce bulbs the first season and if planted early many will bloom the first year, and the wide range of new and rare colors hardly any two alike, will be a surprise and delight.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Celosia—Flame of Fire

A very striking novelty and always attracts attention in the garden. Plants grow in perfect pyramidal form 18 to 20 inches high, carrying large fiery-red colored tops and many branches, each smaller than the top making the entire plant look like many flames of fire.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Clarkia A very pretty and easily grown annual, 1½ to 2 feet high, with entire length of stalk covered with double flowers resembling carnations.

Double Enchantress

There are several new colors in this old favorite, but we recommend Double Enchantress as the most beautiful of them all, a light orange shading to pink, a delightful color with double flowers well placed on the long stems.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

DOUBLE MIXED: All colors in Clarkias.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

GLADIOLUS—FROM SEED

CLARKIA—DOUBLE ENCHANTRESS

Heliotrope

Kochia—Burning Bush

Lavatera

Leptosiphon Hybrids

Lantana

Heliotrope Can be raised from seed as easily as the Verbena; every one loves its beauty and delightful fragrance.

GIANT HYBRIDS MIXED. All colors. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Hollyhocks—Annual Annual everblooming Hollyhocks are a new type easily grown from seed, bloom the first season if sown early and continue throughout the season. A wonderful free flowering sort producing large flowers in many beautiful colors; flowers single, semi-double and double. Valuable for backgrounds. Mixed.

Pkt., 60 seeds 5¢; 150 seeds 10¢.

Kochia—Burning Bush This is an ornamental annual of very rapid growth known as Summer Cypress. Makes plants as shown 2 to 3 ft. high, leaves slender, of light pea green until Fall, then the plant changes to red color; excellent for borders, and if planted close together can be trimmed same as privet hedge.

Pkt., 600 seeds 5¢; 1500 seeds 10¢.

Lupines Annual This annual is free flowering, easily grown from seed and produces graceful spikes of rich colors from early Summer to Fall. Grows about 2 feet and does well in partial shade. Giant Mixed. Nearly all colors and shades in Annual Lupines, such as sky-blue, rose, white and yellow. Mixed.

Pkt., 60 seeds 5¢; 150 seeds 10¢.

Lavatera—Annual Mallow

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Lobelias—for Blue

For Beds, Borders, Porch Boxes, etc. **SAPPHIRE**—Especially effective in hanging baskets or window boxes where a long trailing effect is desired. Flowers large, deep blue, with pure white eye.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

CRYSTAL PALACE. A very attractive border plant 4 to 6 inches tall, covered with azure-blue blooms.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

COMPACTA MIXED. Forms compact little bushes about 6 inches high, loaded with bloom throughout the season. Our mixture includes all colors in dwarf compacta sorts. Mixed.

Pkt., 700 seeds 5¢; 2000 seeds 10¢.

Lace Flower—Queen Ann's

This attractive novelty produces white blooms in umbels resembling Carrot but not so coarse, giving a dainty lacy effect. Plants grow 2 to 2½ feet tall, leaves narrow, except at the base where they are wider and round. Easily grown from seed.

Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Leptosiphon An attractive, free-blooming annual, easily grown from seed. It attains a height of 5 to 8 inches and is excellent for small beds, borders, etc., also pot plants. Blooms in a few weeks after planting and produces many colors and shades in yellow, orange, lilac, purple, light cream, etc. Fine for Rock Gardens. Hybrid Mixed.

Pkt., 150 seeds 5¢; 500 seeds 10¢.

Lantana A fine plant with verbenalike flowers in shades of white, red and yellow. Fine for pots or can be set out in the Summer when it continues to bloom until late Autumn. Has agreeable aromatic perfume. Hybrid Mixed.

Pkt., 20 large seeds 5¢; 50 seeds 10¢.

Linum—Scarlet Flax **GRANDIFLORUM RUBRUM.** Showy annuals 15 to 20 inches tall, having fine foliage and dainty brilliant scarlet-crimson flowers produced in great profusion throughout the Summer.

Pkt., 250 seeds 5¢; 800 seeds 10¢.

Lavendula—True Lavender

Very attractive plant growing about 18 inches high, much prized for its lovely sweet scented blue flowers which are often dried for Winter use and hung in linen closets. Plants are hardy with some Winter protection and bloom profusely during August.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

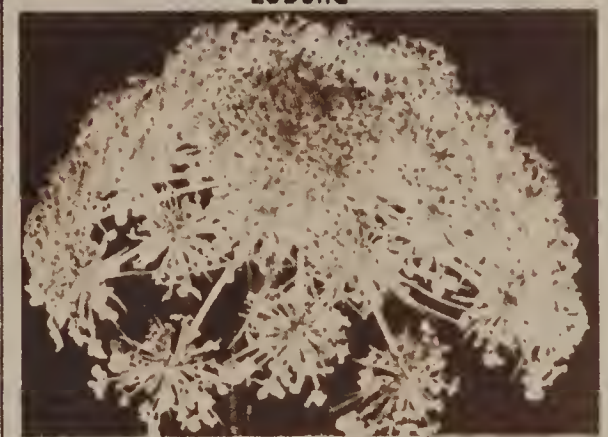

Annual Hollyhock

Annual Lupines

Lobelia

Lace Flower

Linum—Scarlet Flax

Lovely Sweet Peas

You can have Sweet Peas in your own garden just as beautiful as the florist. Pick the flowers often for abundant bloom. For beauty and fragrance Sweet Peas have no equal.

EARLY

Early Flowering These Early Flowering come into bloom 2 to 3 weeks earlier than the Giant Flowering Gorgeous; they are well suited for growing in Southern sections in Winter, and for the earliest blooms out doors in the North where seasons are short, and they are valuable for Winter flowering under glass. If you have not had good success in growing Sweet Peas try these Early Flowering. We offer a wide range of colors in a mixture as shown by the artist's painting above.

Mixed; Pkt., 80 seeds 5¢; 175 seeds 10¢; oz. 25¢.

Giant Flowering Gorgeous We have made up a special combination of colors in the Giant Orchid or Spencer varieties for 1939, which are well suited for Summer flowering. Over 40 of the latest introductions in Sweet Peas have been included selected for long blooming.

Mixed; Pkt., 100 seeds 5¢; 225 seeds 10¢; oz. 20¢.

RUFFLED

Giant Ruffled Sweet Peas

These are greatly admired wherever seen and pronounced the most beautiful of all. The ruffled, duplexed and large wavy frilled flowers give them a double appearance. Stems are long carrying fully developed blooms in great abundance, vines make a strong growth and are profuse bloomers. We offer a choice collection of colors in a mixture that will please all who grow them.

Mixed; Pkt., 70 seeds 5¢; 150 seeds 10¢; oz. 30¢.

Morning Glory

Heavenly Blue

This improved early flowering strain comes into flower early in the Summer and continues throughout the flowering season. Flowers are very large and freely produced, color being a deep intense blue shaded lighter toward the center. Very showy.

Pkt., 40 seeds 10¢; 100 seeds 20¢.

Border of Gold

Tagetes Signata Pumila

This beautiful little flower grows 12 to 15 inches tall making a compact plant literally covered with golden yellow flowers having orange star in the center, and during Summer and Fall gives a golden sheet of bloom. The foliage is fern-like and dainty, making a very pretty combination. Makes a beautiful border.

Pkt., 125 seeds 5¢; 300 seeds 10¢.

BORDER OF GOLD

New Salvia—Royal Crimson

The earliest of all Salvias ever grown in our trials. Seed planted inside first week April, plants set outside last week of May; began to bloom June 15th, and continued until frost.

Plants compact, 18 to 20 inches tall, carrying brilliant crimson flowers.

Photo of this plant was made in July. Pkt., 40 seeds 5¢; 100 seeds 10¢.

NORWAY SPRUCE

Evergreen Trees—from Seed

Do you know the fastest growing and easiest Evergreen to grow from seed is Norway Spruce? It is of pyramidal habit, perfectly hardy, fine for groups, hedges and windbreaks. So easy to grow from seed you should start seedlings this year. Culture on packets. Pkt., 50 seeds 5¢; 125 seeds 10¢; 300 seeds 20¢.

Strawberries—from Seed

Here is a creation of a specialist, the result of 35 years' cultivation. He says, "Growing strawberries by means of seed is unusual, but it is simple and easy. Seedlings obtained by sowing seeds at proper time produce deep red fruit the first season right into Autumn. Seeds sown in bowls or pots from Feb. to April will produce plants and fruit from August until frost.

Give them a trial. Culture on all packets. Pkt., 100 seeds 5¢; 250 seeds 10¢.

STRAWBERRIES—FROM SEED

Linaria—Fairy Bouquet

Linaria—Fairy Bouquet

An improved strain of this very attractive small hardy annual plant, compact in form but of light and airy appearance, often referred to as Baby Snapdragons as the miniature flowers resemble Snapdragon blooms. The flowers come in rose, yellow, pink, carmine, lavender, red, violet, salmon and white.

Plants grow about 8 inches high, bloom within a short time from seed and are well adapted for the low border or rock garden. **Mixed.**

Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Mimosa—Sensitive Plant

PUDICA. A curious and interesting pot plant, growing about 18 inches tall, with attractive pinkish flowers of delicate texture. At the slightest touch the leaves close tightly together and remain closed for a short time. Easily grown from seed.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Mimosa—Sensitive Plant

Myosotis—Forget-Me-Not

These charming little favorites will thrive in almost any soil, and produce flowers of blue, white, rose and other shades.

Pkt., 400 seeds 5¢; 1000 seeds 10¢.

MIXED COLORS. Contains all the different shades in Forget-Me-Nots.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Myosotis

Mignonette No garden is complete without a bed of Mignonette. It is one of the most delicately scented of all flowers.

GOLIATH. Giant trusses of flowers being borne on strong, stiff stalks covered with large coppery red florets.

Pkt., 500 seeds 5¢; 1200 seeds 10¢.

GOLDEN SUNSET. A golden yellow variety with large sweet-scented trusses.

Pkt., 600 seeds 5¢; 1500 seeds 10¢.

LARGE FLOWERING MIXED. Special Mixture of all the large-flowering, sweet-scented varieties in the various shades and colors.

Pkt., 600 seeds 5¢; 1500 seeds 10¢.

Nigella—Love-in-a-Mist

A very pretty annual of easy culture; fine for beds, borders or cutting; blooms in 8 or 9 weeks from sowing of seed. **Mixed.**

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Nigella

Nicotiana—Flowering Tobacco

Handsome bedding plants of free and long blooming habit, flowers attractive in shape and delightfully fragrant.

New Hybrids Mixed.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

RED SHADES.—A customer writes, "I want to tell you they are excellent. Many came to the city park, where I am caretaker, to see and admire them and to inquire what they were."

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

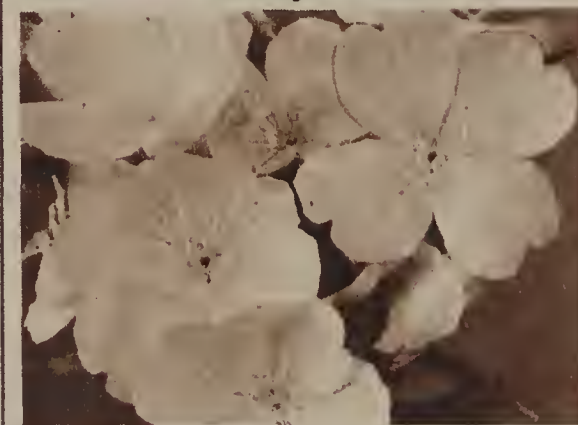

CRIMSON BEDDER.—A dwarf Nicotiana about 15 inches tall, covered with velvety-crimson flowers until frost. Fine for dwarf beds, borders or mass planting.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Oenothera—Evening Primrose

LAMARCKIANA. Plants make a growth of about 2 feet, and are covered with rich golden yellow flowers, which are produced from June to September. They make a great display in a border or in the garden and soon make a bank of golden yellow.

Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Oenothera

Periwinkle—Vinca These free-flowering annuals have bright green, shiny foliage and large showy flowers. The plants grow 12 to 18 inches tall and bloom freely during Summer and Fall.

MIXED. All colors in a mixture; very showy and pleasing.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Phacelia—California Blue Bells

CAMPANULARIA. Plants grow about 8 in. tall producing terminal racemes of gentian-blue flowers with white anthers. Fine for edgings, etc., or as pot plants. very early and blooms a long time.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

Nicotiana

Periwinkle

Portulaca—Sun Plant For gorgeous coloring nothing can excel a bed or border of Portulaca. Plants are low-growing and creep along the ground. They like full sun-light and can stand hot Summer sun and thrive most any location, even poor soil. Wonderful range of colors, and blooms until October. They form a dense mass of colors, all day, closing in the evening.
Single & Double Mixed. Pkt., 500 seeds 5¢; 2000 seeds 10¢.

Giant Sweet Sultans These annuals are easy to grow and very popular for decorative purposes. Plants make an upright growth 2 to 2½ ft. tall and produce sweet-scented, artistic shaped flowers on long stems in many shades and colors. They do well in the average garden soil.
Mixed Colors: Pkt., 100 seeds 5¢; 250 seeds 10¢.

Double Cornflower—In Latest Development

Every one will want this latest development in Cornflowers, also known as Bachelor's Button; which is easy to grow, blooms continuously during Summer and Fall, producing all the latest colors in double Cornflowers. One of the very best flowers for cutting or for beds and borders.

Double Mixed: Pkt., 200 seeds 5¢; 500 seeds 10¢.

CORNFLOWER-JUBILEE GEM—See Page 5.

Nasturtiums

These are very popular, free-flowering annuals, especially the sweet-scented double and semi-double Gleam type. For ease of culture, and brilliancy of colors, they are hard to excel. They need well drained soil, sunny position, and in a few weeks after planting there should be a great profusion of gorgeous blossoms.

GT. CLIMBING

Scarlet Gleam

This Double Sweet Scented Nasturtium is even more dazzling in color than the showy Golden Gleam.

Flowers are immense in size, double and semi-double, fiery scarlet color. Plants are free blooming, bearing large flowers.

Pkt., 35 seeds 5¢;
80 seeds 10¢;
ounce 20¢.

Golden Gleam Most popular Golden Yellow. The large double scented flowers on long stems are borne well above the plant.
Pkt., 40 seeds 5¢; 100 seeds 10¢; oz. 15¢.

Gleam Hybrids—Double and Semi-Double

The plants make a neat appearance in the garden or on the lawn and the well formed double and semi-double flowers are borne on strong stems in many colors: salmon, orange, scarlet, golden-yellow, cerise, crimson, cream, gold flushed scarlet, and other brilliant shades.

Mixed: Pkt., 40 seeds 5¢; 100 seeds 10¢; ounce 20¢.

BRILLIANT BEAUTIES

Brilliant Beauties

A selection of all the best old reliable varieties in dwarf bush sorts in a well blended mixture of colors, such as scarlet, golden-brown, red, yellow, spotted, white, rose, and others. Wonderful mixture to plant.

Mixed.
Pkt., 60 seeds 5¢;
150 seeds 10¢;
ounce 15¢.

Mills Giant-Flowering Climbing Nasturtiums

The king of all giant-flowering climbing sorts in a wonderful mixture of colors and variations in foliage; just the variety to plant by arbor or fence.

Mixed: Pkt., 60 seeds 5¢; 150 seeds 10¢; oz. 15¢.

GLEAM HYBRIDS—MIXED

Giant Shirley Poppy

Tulip Poppy

Ricinus—Zanzibariensis

Sunflower—Double Chrys. Fld.

Sunlite Hunnemannia

Annual Poppies

Poppies are easily grown from seed. They make a gorgeous show in their many brilliant colors. Sow seed in Spring where the plants are to bloom.

GIANT DOUBLE ANNUAL—Flowers very large, some tipped with various color shades, many fringed and others with curled petals. Mixed.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

AMERICAN FLAG—Double, large flowers, snow-white, a scarlet border.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

PLUM VIOLET—Double, violet color.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

GIANT SHIRLEY—One of the most beautiful of all Poppies, as they possess a grace and beauty all their own. Flowers of many shades and colors, both double and single. Mixed.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

TULIP—As brilliant and showy as the finest Tulip. Color intense blood-scarlet with black center; blooms early and continues for a long time.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

ICELAND POPPIES—While these are hardy perennials, they flower the first year from seed, blooming almost as quickly as the annual sorts. They are of graceful habit, with bright green fern-like foliage, formed in tufts, from which come slender stalks about 15 inches high, bearing their brilliant flowers in great profusion for a long season. Mixed.

Pkt., 1500 seeds 5¢; 3500 seeds 10¢.

Ricinus—Castor Oil Bean

These are very ornamental plants, easily grown from seed, making a picturesque appearance. They grow 6 to 12 feet tall, have mammoth leaves and large flower spikes.

ZANZIBARIENSIS—Plants attain great dimensions, making a wonderful show. They have light and dark green leaves and some are coppery bronze, changing to dark green with reddish ribs, very tropical in appearance. Mixed.

Pkt., 15 large seeds 10¢; 40 seeds 20¢.

RED SPIRE—Plants about 6 feet, and foliage is a rich bronzy green. Flower spikes 10 to 15 inches long, of a brilliant crimson.

Pkt., 25 seeds 10¢; 60 seeds 20¢.

Rudbeckia—Coneflower

KELVEDON STAR, A fine annual free-flowering variety, forming a dense plant and wonderful display of flowers from early Summer to late Fall of bright golden-yellow flowers with a band of mahogany-red around the center disc.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Schizanthus—Excelsior

A new dwarf strain. Plants are very dwarf growing, compact, pyramidal in shape, and free flowering, fine for the rock garden, low borders, or may be grown in pots; color range includes all the popular pastel shades, pinks, rose, cream and white.

Mixed. Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Sunflowers—Helianthus A very annual, remarkable for its stately growth, size and brilliancy of flowers.

DOUBLE CHRYSANTHEMUM-FLOW-ERED—A mammoth Sunflower with double, golden yellow flowers of giant size, some being 7 to 8 inches in diameter. Plants grow about 7 feet tall and are covered with flowers.

Pkt., 70 seeds 5¢; 150 seeds 10¢.

MINIATURE—Many new forms of miniature and dwarf Sunflowers have been produced, some with curiously twisted petals in various colors of dark reddish brown, red, yellow and creamy white, most of which are excellent for cutting. Mixed.

Pkt., 100 seeds 5¢; 225 seeds 10¢.

Silene—Catchfly A very pretty annual, growing 7 to 10 inches tall. It is easily grown and fine for bedding or borders. The plants begin to bloom early in Summer and are covered with flowers in shades of rose, red, white, until frost. Mixed.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Hunnemannia—Sunlite

Unlike other double flowers this Novelty develops a band of short petals on the outside, rather than the inside, of the cup. This adds to size and beauty, giving the appearance of an open flower, a clear canary yellow.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Giant Double Annual Poppy

Iceland Poppy

Rudbeckia, Kelvedon Star

Schizanthus—Excelsior

Silene—Catchfly

SALPIGLOSSIS—MIXED

DIANTHUS—SPLENDENS

ANNUAL CANTERBURY BELLS

Salpiglossis — Velvet Flower

Beautiful annual of very easy culture. Plants grow 24 to 30 inches tall producing from mid-Summer their beautiful trumpet-shaped flowers in a large and unusual range of colors; such as: crimson and gold, velvety red, violet, velvety blue and other shades. Mixed.

Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Gilia — Fairy Stars This dainty little flower is one of the most charming and attractive of all rockery and bedding plants. They grow very neat and compact. 6 to 8 inches high, extremely free-flowering, literally covered with tiny star-like flowers in a riot of color in shades of rose, pink, orange, yellow, cerise and cream. Mixed.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

Nemesia — Nana Compacta

Dwarf annuals producing masses of orchid-like flowers in varied colors.

AURORA. Upper petals dazzling turkey-red lower white. (See Photo.)

Pkt., 200 seeds 5¢; 500 seeds 10¢.

MIXED. Many bright and rare colors.

Pkt., 250 seeds 5¢; 600 seeds 10¢.

New Dianthus — Splendens

One of the most beautiful and free flowering Dianthus we have ever grown. Flowers are very large, some over 2 inches across. A brilliant shade of crimson with large white eye and fringed white edges.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Strawflowers — Double

Strawflowers known as Helichrysum is the most widely grown of all Everlastings, as they are so easy to grow. The plants 2 to 2½ feet tall are excellent for display in flower beds or tall borders, showing a great variety of rich, glistening colors from mid-Summer until late Fall. The long-stemmed flowers cut when about one-third open and hung, heads down, in a cool, shady, airy place; make best display for Winter bouquets. Mixed.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Canterbury Bells — Annual

A beautiful Canterbury Bell blooming the first season from early Spring sown seed, a wonderful achievement, as the old-fashioned biennial does not bloom until the second year. The colors are dark blue, light blue, pink, rose and white, produced on stately plants 2 to 2½ feet tall, each plant having from six to eight stalks of bloom. Mixed.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

Venidium — Monarch of the Veldt

Fastuosum — Another new flower from Africa. Plants grow 2 to 3 feet tall and produce numerous daisy-like blooms 3 to 4 inches across with petals of brilliant orange, marked with a purple-black zone and unique center of woolly green. In contrast to the flowers the silky greyish foliage makes a very attractive plant. Blooms over a long period if plants have a sunny position.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Fastuosum Hybrids — These new Hybrids are even more attractive than the above Orange. Plants have the same habit free-flowering, 2 to 3 ft. tall, blooming over a long period. Color range in many attractive shades. Mixed.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Torch Flowers This is something quite different from other flowers and is very attractive when grown in borders. Plants grow only about 10 inches high and being so close to the ground remind one of a torch being drawn into the earth. The entire plant is a dark red color and it makes a rapid growth from seed.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

NEMESIA—AURORA

DOUBLE STRAWFLOWERS—MIXED

VENIDIUM—FASTUOSUM

Stocks—Giant Double Perpetual

Salvia—Splendens

Ursinia—Jewel of the Veldt

Virainian Stocks

Stocks—Gilliflower

Very popular for bedding or for pot culture, and are unsurpassed for brilliancy of colors and fragrance.

Column Double Giant Deep Rose

Column Stocks are becoming very popular. This Double Giant is a magnificent new variety, each plant producing one giant spike of bloom resembling a beautiful Hyacinth as shown by photo.

The florets average nearly two inches in diameter (see photo) of deep brilliant rose, most all spikes having as many as forty florets when in full bloom.

Pkt., 50 seeds 5¢; 125 seeds 10¢.

GIANT DOUBLE PERPETUAL BRANCHING — A free-flowering type growing to about 20 inches tall, sometimes called "Cut and Come Again," is of branching habit, large flowers and long stems. Mixed: Pkt., 150 seeds 5¢; 350 seeds 10¢.

LARGE FLOWERING TEN WEEKS — For brilliancy of color, delightful fragrance, profusion and duration of bloom, this annual stock is unsurpassed. The double flowers in many colors, are borne on strong spikes, 12 to 15 inches high.

Double Mixed: Pkt., 150 seeds 5¢; 350 seeds 10¢.

Salvia—Scarlet Sage A handsome flowering plant of branching bushlike growth; a blazing mass of bright scarlet flowers during Summer.

BLAZE OF FIRE—See Front Cover.

ROYAL CRIMSON—See Page 16.

PERENNIAL SALVIA — BLUE BEDDER—See Page 35.

SPLENDENS—This is the largest and most popular variety, producing beautiful, large bright scarlet flowers. Plant grows 2½ to 3 feet tall, a profuse bloomer.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

BONFIRE—Oval bushes 15 to 20 inches tall, with as many as 200 spikes to a plant, filled with scarlet flowers.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Tithonia Golden Flower of the Incas

SPECIOSA. This is an annual of easy culture. It originally came from Peru where it was grown by the Incas 400 years ago when the first white man arrived. It makes a stately plant growing 8 to 10 feet tall and in the Fall it is covered with lovely large bright orange-scarlet blooms having a high center. Makes a fine background. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Ursinia—Jewel of the Veldt

ANETHOIDES. This attractive annual comes from South Africa, and is very easy to grow from seed. The plants bloom freely, producing great quantities of daisy-like flowers on long stems, being fine for cutting and last well in water. The color is a rich orange-yellow with a crown of purple spangled with dark dots.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Viscaria OCULATA—Very attractive five-petaled flowers for beds or borders, growing about ten to twelve in. tall with flowers tinted in many colors, shades and hues. Bloom quickly from seed. Mixed.

Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Virginian Stocks

These are fast-growing early flowering little annual plants 6 to 8 inches tall for Spring use in the annual rock garden or as an edging plant. Rose, crimson and white colors. Mixed. Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Moss Verbena—Erinoides

Spreads over the ground like a carpet and has finely cut or moss-like foliage. The Verbena-like purple flowers are borne in great profusion from early Summer until frost. Fine for porch boxes, lawn vases or bordering rock work.

Pkt., 150 seeds 5¢; 350 seeds 10¢.

Wallflowers—Annual

Seed of the annual varieties sown in early Spring will be in full bloom in early Summer, covered with spikes of attractive fragrant flowers in many rich colors. Equal to perennial sorts. Double and Single Mixed: Pkt., 300 seeds 5¢; 800 seeds 10¢.

Photo Single Floret—Column Stocks Double Giant Deep Rose

Tithonia—Golden Flower of the Incas

Moss Verbena

Annual Wallflowers

Dwarf Hybrids These hybrids are entirely different from other Dahlias and are easily grown from seed. Plants grow 15 to 20 inches high, and require no staking. Flowers are semi-double in a wide range of beautiful colors and are produced in great abundance. They will bloom in about 90 days from seed and continue until frost. Mixed. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Dahlias from Seed

Beautiful Dahlias can be grown from seed and plants will bloom from 3 to 4 months after planting. Anyone who can raise a Zinnia or Aster can grow Dahlias from seed.

Double & Single Mixed

Some of the finest large Dahlias and richest colors have been found among seedlings, and it is very doubtful if there will be any two alike from a packet of seed.

Special Mixture Double and Single: Pkt., 40 seeds 5¢; 100 seeds 10¢.

DAHLIAS—DOUBLE & SINGLE MIXED

Giant Hornsveld In our many trials of Dahlias from seed we have found one that is a wonder in size and colors, producing enormous double and semi-double blooms in rich shades and colors.

It is a healthy and strong grower (see photo), and will delight all who love fine, large Dahlias. Giant Mixed. Pkt., 40 seeds 10¢; 100 seeds 20¢.

Sybil Sherwood

One of the most beautiful Godetias and given an Award of Merit by the Royal Horticultural Society.

The color is a gorgeous shade of bright salmon pink softened by an edging of white. The plant grows about 20 in. high, strong stemmed and so free flowering that the foliage is almost hidden from view. Flowers are ideal for cutting with long stems. Pkt., 200 seeds 5¢; 500 seeds 10¢.

GODETIA—Satin Flower

Kelvedon Glory This new Godetia is a deep glowing salmon-orange color. Pkt., 100 seeds 5¢; 250 seeds 10¢.

GODETIA—KELVEDON GLORY

Azalea-Flowered

This is a charming Godetia of easy culture, forming compact, dwarf bushes, flowering all Summer. Color soft pink with a carmine blotch on edge of petals, resembling Azaleas. Excellent for pot culture.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

MIXED COLORS. All shades of the Godetia in this mixture. Pkt., 500 seeds 5¢; 1200 seeds 10¢.

Annual Sweet William

Will bloom the first season from Spring sown seed. It has a great variety of attractive colors and shades, grows 12 to 15 in. tall, and is a beautiful sight when in bloom. Easy to grow, should be in every garden. Mixed. Pkt., 200 seeds 5¢; 500 seeds 10¢.

Acroclinium—Double Hybrids

Double flowers are very large on 12 to 18 in. stems, borne freely over a long blooming period. Colors: rich shades of salmon, apricot, pink, rose, cerise; with white and creamy tones. Mixed: Pkt., 75 seeds 5¢; 200 seeds 10¢.

ACROCLINIUM—DOUBLE HYBRIDS

Carnations—Marguerite

Very showy plants growing from 12 to 15 inches tall producing large fragrant blooms in less than 5 months from seed. A high per cent of flowers come double. Mixed.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Seeds of Climbing Vines and Flowers

Climbing Vines give the garden an attractive appearance, and they are also used extensively to shade porches and to hide unsightly views or buildings. We offer Climbers that are easily raised from spring planted seeds, of most popular varieties.

Morning Glory—D. Rose Marie

Cardinal Climber

Balloon Vine

Moonflowers, Mixed

Morning Glories

NEW SCARLET—See Back Cover.
HEAVENLY BLUE—See Page 16.
DOUBLE ROSE MARIE—A lovely double Rose sort, vigorous and rapid grower; blooms early producing double and semi-double flowers.
 Pkt., 60 seeds 5¢; 150 seeds 10¢.

Japanese Collection

A rapid-growing Morning Glory. Flowers large, ranging from white to black-purple with colors in intermediate shades of red, pink, rose, carmine, crimson, blue, maroon, striped and blotched.

Mixed. Pkt., 60 seeds 5¢; 150 seeds 10¢.

Japanese Kudzu Vine

Jack-and-the-Bean-Stalk. A remarkable climber. Hardy and will grow 30 to 40 feet in one season in some sections, filling the air with fragrance from its clusters of purple Wisteria-like blossoms. Starts into growth slowly but after a few weeks grows almost beyond belief. Fine for porches, arbors, old trees, etc.

Pkt., 75 seeds 5¢; 200 seeds 10¢.

Cardinal Climber

A strong and rapid grower, literally covered with a blaze of cardinal-red flowers from mid-Summer till frost.

Pkt., 30 seeds 5¢; 70 seeds 10¢.

Japanese Hop

A rapid growing annual climber, resembling the common Hop, foliage very dense and very ornamental, withstanding drought and heat and insects do not attack. A good vine for quick results.

Pkt., 50 seeds 5¢; 125 seeds 10¢.

Cypress Vine

A very attractive annual climber with rich green fern-like foliage and masses of beautiful, small, star-shaped flowers in white and scarlet. Mixed.

Pkt., 60 seeds 5¢; 125 seeds 10¢.

Balloon Vine—Love-in-a-Puff

A rapid-growing annual climber that succeeds best in a warm situation in light soil. The flowers are whitish green color and are followed by attractive seed pods which look like small balloons.

Pkt., 25 seeds 5¢; 60 seeds 10¢.

Cobaea—Cathedral Bells

A rapid-growing vine with bell-shaped flowers, green at first, changing to rosy purple. Grows 10 to 20 feet in a season and clings to any rough surface.

Pkt., 20 seeds 5¢; 50 seeds 10¢.

Moonflowers

A beautiful annual climber; foliage very dense, the flowers being produced in several colors. Many of the sorts open only when the sun rises, others when the sun sets. They reach a height of 15 to 25 feet.

Mixed. Pkt., 20 seeds 5¢; 50 seeds 10¢.

Boston Ivy—Ampelopsis Veitchii

A hardy vine which clings to any wall, building or tree. The 3-pointed green leaves change to red and bronze in the Fall.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Canary-Bird Vine

A beautiful rapid-growing annual climber, the charming canary-yellow blossoms bearing resemblance to a bird with wings half expanded. Pkt., 30 seeds 5¢; 75 seeds 10¢.

ROYAL SCOT

GUINEA GOLD

YELLOW SUPREME

LEMON ALL-DOUBLE

MARIGOLDS

Easy to Grow from Spring Sown Seed

Royal Scot Very striking sort, double flowers nearly two inches across, plants strong, producing flowers in colors of Mahogany and Gold with stripes radiating from center. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Sunset Giants Plants 3 to 4 feet tall, producing great quantities of enormous blooms in shades of deep orange, golden orange, lemon and primrose. A plant in full bloom is very showy. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Guinea Gold Strong plants producing ruffled flowers of intense orange gold color. Pkt., 75 seeds 5¢; 200 seeds 10¢.

Lilliput Plants 12 to 14 in. tall covered with small double flowers each plant a bouquet. Mixed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Yellow Supreme

Plants free branching with foliage almost free from Marigold odor, flowers large, fluffy, of delicately mild honey fragrance, frilled petals, rich creamy yellow. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Lemon All-Double

Extra large double blooms, lemon color, produced on long stems. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Chrysanthemum Fld. Hybrids

New Hybrids of many new types of Marigolds varying in size of bloom from 2 to 4 inches in diameter. These beautiful types are very attractive and contain nearly all shades of orange and yellow. Mixed. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Harmony Plants about 1 foot tall covered with gorgeous flowers quite different from any other Marigold. Early, free flowering and one of the most attractive sorts. Pkt., 75 seeds 5¢; 200 seeds 10¢.

MARTHA WASHINGTON

THE DAZZLER

ALL DOUBLE FRINGED

MILLS PETUNIAS

Petunias Are One of Our Specialties

Balcony—Large Flowering

These are popular for window and porch box display or for planting on terraces, or among rock work where the long slender branches can spread out and show their gorgeous colors. Mixed.

Pkt., 250 seeds 5¢; 600 seeds 10¢.

The Stars

Plants dwarf and bushy; grow about 1 foot tall literally smothered with flowers of lovely rosy carmine, each bloom being marked with white star.

Pkt., 125 seeds 5¢; 300 seeds 10¢.

Dainty Lady—Single Fringed

This new Petunia is the best yellow yet produced as far as we know. There is no other color just like it. Plants produce great quantities of fringed flowers.

Pkt., 100 seeds 10¢; 225 seeds 20¢.

Blue Star

Plants upright bushy growth beginning to flower when only about 6 inches high; flowers about 2½ inches across, beautifully marked dark violet blue and white like our photo. Very attractive.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Martha Washington

Plants grow about 9 inches high and foliage is literally covered by the ruffled or frilled blooms about 3 inches in diameter. The frilled portion of the flowers are blush pink, center veined wine-red, throat dark violet. Fine for window boxes, pots or borders.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Blue Bird

This is a very attractive Petunia, growing from 12 to 14 inches tall, making bushy plants loaded with large flowers of a rich, dark, violet color.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Rosy Morn—Improved

A beautiful clear pink bloom with a silvery white throat. Plants are bushy and compact producing flowers in great abundance the entire Summer; splendid for beds, borders, boxes or pots.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

The Dazzler

This is a charming Petunia; rich deep velvety red that is unusually attractive. The plant is neat and compact, five to six inches high and smothered with rich velvety red blooms.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Flaming Velvet

This new Petunia has caused a sensation because of its velvety, rich, blood-red flowers. The plants grow about 15 inches high, uniform, and blooms are large and borne in profusion.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

All-Double Giant Fringed

This New Double Petunia is the only one we have ever grown producing 100% double flowers. Plants produce a wonderful assortment of brilliant and fancy colors. The very large fully double flowers, have an appearance similar to the double-flowering Indian Azalea. They are very suitable for low borders or pots. Seed is very expensive to produce, which makes it high priced.

Mixed. Pkt., 50 seeds 15¢; 125 seeds 25¢.

Mixed Annuals: Pkt., 500 seeds 5¢; 1200 seeds 10¢.

Globe Amaranth

Statice—Sea Lavender

Xeranthemums

ANNUAL ROCK GARDEN SEEDS

For quick results in the Rock Garden we offer a mixture of seed of those annuals growing from about four inches to one foot in height, all of good bright colors, many of them coming into bloom in a few weeks from sowing the seed.

Many of the varieties in this mixture are hardy annuals, which self-sow and the following Spring would show many new plants coming up from the seed dropped this Fall.

The best method we have found in using this seed mixture is to sow the seed in a space large enough to allow of the seeds being well distributed and as the plants come up and reach a size large enough to transplant, it is not difficult to distinguish the different kinds, which may be taken out and grouped together at different locations selected in the Rock Garden. Pkt., Over 1000 seeds 5¢; Over 2500 seeds 10¢.

WILD FLOWER GARDEN SEEDS

A mixture of colorful and attractive Annual Flowers including many California native flowers, a very beautiful collection which will give a natural or wild effect in the garden. We believe you will enjoy this collection of flowers. Pkt., Over 1000 seeds 5¢; Over 2500 seeds 10¢.

ANNUALS FOR BEDDING

A mixture of showy free-blooming Annuals for beds and borders in a wide range of colors, such as shades in Reds, Blues, Pinks, Goldens, Yellows, Whites, and many Fragrant sorts. A great many of these flowers can be used for cutting for bouquets if desired. Pkt., Over 1500 seeds 5¢; Over 4000 seeds 10¢.

SWISS GIANT PANSIES

Mills Gorgeous Pansies

For earliest blooms, sow seeds indoors and plant outside after danger of frost. May be sown in Summer in cold frame and Winter over for early Spring flowers.

VIOLET BOUQUET

FIREBALL

Mills Gorgeous Zinnias

Zinnias are a great favorite and there are few flowers that will make such a gorgeous display of colors and but few as easy to grow from seed. They require no special attention and succeed almost anywhere. Plant the seed outdoors after danger of frost any time up to July. In the South plant in Fall or Winter months for early flowers.

Giant Dahlia—Flowered—Mixed

Autumn Tints—Mixed

New Zinnia—Early Linearis

Linearis is a dwarf, early flowering variety. The single flowers are deep golden orange in color with a delicate light yellow stripe which contrasts boldly with the dark center—a combination which is most attractive. It is early flowering and the plant reaches a height of 8 to 10 inches with a spread of as much as 2 feet.

Pkt., 125 seeds 5¢; 300 seeds 10¢.

New Zinnia—Cupid

Smallest of All. Very compact well-formed plants about 1 ft. tall making many branches and producing great numbers of small button-like flowers about 1 in. across from Summer to Fall. They are fine for bedding, borders, or rock gardens.

Mixed—Pkt., 60 seeds 5¢; 125 seeds 10¢.

Desert Gold Those who wish the finest in Zinnias will appreciate this variety, showing light and deep golden hues with each petal overlaid at the base with a deeper golden yellow.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Giant Dahlia—Flowered

(Gold Medal Type)

These are very attractive. The large size, fullness of petals, gorgeous colors and good keeping qualities make them very popular. Plants grow strong; blooms are produced in great abundance in a wonderful range of colors from mid-Summer until frost.

Special Double Mixture—All Colors.

Pkt., 70 seeds 5¢; 150 seeds 10¢.

Giants of California

A giant in Zinnias, flowers 5 to 6 inches across not being unusual, a continuous bloomer in rich, beautiful colors, very attractive. Plants grow 3 to 5 feet tall of extremely robust habit. Flowers are very double, with small flat center, bearing freely on long, strong stems.

Special Double Mixture—All Colors.

Pkt., 70 seeds 5¢; 150 seeds 10¢.

Autumn Tints

This is a Scabiosa Flowered Zinnia. Makes a good cut flower, graceful and easy to arrange. This new strain which was named Autumn Tints is perfect in form of flower and the real beauty is in the lovely coloring of the flowers which range through all the gorgeous Autumn foliage tints, such as orange, bronze, russet, carmine, red and intermediate shades. Mixed.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Creeping or Trailing Zinnia

Pretty annual; very dwarf, 3 to 5 in. high, spreading growth, abundance of golden yellow flowers with black center.

Pkt., 250 seeds 5¢; 600 seeds 10¢.

New Zinnia—Early Linearis

New Zinnias Cupid—Mixed

Desert Gold

Giants of California—Doubles—Mixed

New Fantasy--Mixed

The bushy plants grow about 2 feet tall and are covered with medium sized double flowers composed of a mass of shaggy ray-like petals, giving a delicate appearance in a wide and varied color range of the newer and unusual pastel shades. Mixed. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Baby Zinnias for Pots

Have you ever tried to grow Zinnias in the house? Here is one just right for this work, double flowers 1 to 1½ inches across; colors red, orange, yellow, pink, rose, and other pastel shades. Mixed. Pkt., 40 seeds 5¢; 100 seeds 10¢.

Cut-and-Come-Again

These are very popular double Zinnias, forming bushy, compact plants 1½ to 2 ft. tall and produce an abundance of medium sized double flowers on long stems from mid-Summer until frost. Fine for bedding and cut flowers. Double Mixed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Lilliput or Pompon

Very showy, dwarf branching 12 to 15 in. tall, blooming until frost. Double Mixed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Red Riding Hood

A lovely type of Zinnia for edging, bedding or pots. A brilliant fiery scarlet. Pkt., 70 seeds 5¢; 150 seeds 10¢.

Red Riding Hood

LILLIPUT

CUT-AND-COME-AGAIN

Mr. Harrington, Fox Lake, Ill., writes: "I am sending you Photo of bed of Giant Zinnias grown from your seeds. They are now over 5 feet tall and still growing."

MONSTER ZINNIAS

Monster Zinnias

We claim this the largest strain of Zinnias grown. One customer Mrs. Goddard reports plants over 7 ft. tall, another Mrs. Buckley reports plants 6 ft. tall; blooms enormous size in many colors. Tests show over 18 shades and colors will be found in these Monsters. Give them a trial. Mixed shades and colors. Pkt., 40 seeds 5¢; 100 seeds 10¢.

Mexican Hybrids

Entirely different from other Zinnias. Plant branches freely producing double, semi-double and single flowers in various colors and markings. Blooms until frost. Mixed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Rainbow Collection Giant Zinnias--Over 20 Shades & Colors

This Rainbow Collection of Giant Zinnias is the most beautiful combination of shades and colors we have ever offered.

There are over 20-Named Varieties of the best colors of Giant Zinnias in this collection, which run from dazzling colors to many lovely pastel shades, all from the best mammoth sorts.

Every flower shown here was taken from our field growing plants when in full bloom and painted by our artist.

One of our customers writes: "I have never before seen such a variety of new and unusual colors in Zinnias, many 5 to 6 inches across on giant plants over 4 ft. tall."

If you grow Zinnias we desire you to compare this collection with any other on the market.

Pkt., 75 seeds 5¢; 200 seeds 10¢.

Flowers for the House

Flowering plants in the home should not be considered a luxury, and nothing has a more cheery, brightening influence than plant life and their beauty of bloom. All plants described on this page can be grown from seed, which is an opportunity to have a good collection of house plants at minimum cost. For Winter blooming the seeds should be sown any time during Spring or Summer in house, or under glass or in frame. Leaflet "Growing House Plants from Seed" Free.

Begonia—Double Tuberos

Cyperus—Umbrella Plant

Gloxinia

Chinese Primrose

Baby Roses

Abutilon—Flowering Maple

Flowering indoors during Winter and Spring, having bell-shaped flowers in several colors and often variegated leaves. Very fine and ornamental for bedding out in the Summer. Grows about 3 feet tall. Mixed. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Asparagus—Lace Fern

PLUMOSA NANUS. The lace-like foliage makes this an excellent plant for table decoration. Half a dozen plants will make a mass of dainty, misty green.

Pkt., 40 seeds 10¢; 100 seeds 20¢.

Begonias—Tuberous Rooted

Easy to grow from seed, bloom the first season, in beautiful shades of crimson, rose, salmon, scarlet, pink and white. Fine for pot culture or bedding.

SINGLE MIXED. Immense flowers with frilled and fringed petals, many shades.

Pkt., 125 seeds 5¢; 300 seeds 10¢.

DOUBLE MIXED. Double flowers showing beautiful form on well-rounded plants.

Pkt., 125 seeds 10¢; 300 seeds 20¢.

Cyclamen—Persicum Giganteum

They have very ornamental foliage and extra large flowers in very rich colors in white and many shades of pink, salmon, scarlet and red.

Giganteum, Mixed. Pkt., (15 seeds), 20¢.

Cyperus—Umbrella Plant

ALTERNIFOLIUS. Attractive ornamental house plant of umbrella or palm-like appearance. They are easily grown in damp soil. Can also be grown in Aquarlums.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Geranium—Pelargonium zonale

One of the most popular of all house plants. It blooms freely the first year from seed sown early in the Spring. Seeds may be planted indoors at any time of year. Mixed. Pkt., 40 seeds 5¢; 100 seeds 10¢.

Gloxinia—Giant Flowered Mixed

Splendid pot plants, having attractive velvety-green foliage and bell-shaped flowers 3 to 4 inches in diameter and produced in the richest colors of rose, purple, red and white, showing many variations.

Mixed. Pkt., 125 seeds 10¢; 300 seeds 20¢.

Grevillea—Silk Oak

ROBUSTA. Easily grown and used extensively for table decoration.

Pkt., 50 seeds 5¢; 125 seeds 10¢.

Primrose—Chinese Fringed

Very free flowering and excellent pot plants for Winter blooming, in colors of crimson, carmine, rose and white. Choice. Fringed. Mixed.

Pkt., 50 seeds 10¢; 125 seeds 20¢.

Baby Rose—Roses from Seed

Bloom in about 90 days in pots. Mixed.

Pkt., 30 seeds 10¢; 70 seeds 20¢.

Smilax—Asparagoides

A popular window vine with charming glossy green graceful foliage. Much prized for use in connection with bouquets and for decorative purposes.

Pkt., 70 seeds 5¢; 150 seeds 10¢.

Pigmy Water Lilies

Grow and Bloom in a 15 Inch Bowl. Pigmy Water Lilies can be grown in small city apartments, provided you can spare a corner of a sunny window.

The Pigmy Water Lily (Nymphaea Tetragona) is especially suited for small quarters as it never feels cramped. This dwarf variety is the smallest species in cultivation and will grow and bloom indoors in an ordinary 15 inch crock. White flowers, 1½ to 2½ inches across, are open from 3 to 4 days, closing at night.

It is a native of Siberia and perfectly hardy. Grows readily from seed.

Pkt., 40 seeds 10¢; 100 seeds 20¢.

Abutilon

Cyclamen

Geranium—Pelargonium zonale

Grevillea—Silk Oak

Pigmy Water Lilies

Perennial Flower Seeds

Perennials about the home grounds are a continual source of joy from early Spring to late Autumn, furnishing some of the most beautiful cuttings for house decoration. You can have the best perennials in a most generous measure by sowing the seed, at a slight cost compared with the cost of buying the plants and you will have the fascination of growing your own perennials. Seeds of perennials may be sown indoors in boxes during February, March or April, or outside any time in Summer in seed beds protected from hot sun and storms, and young plants, when 2 to 3 inches tall, set out where they are to flower.

Our "Leaflet" tells you how to grow perennials from seed. It's free to customers.

CORAL LILIES

Coral Lilies Very beautiful hardy Lilies, often referred to as the brightest of all Lilies, producing dazzling coral-red flowers with re-curved petals. Bloom in June, and are fine for cutting.

Plants are easily produced from seeds.

Pkt., 100 seeds 5¢; 225 seeds 10¢.

Regale Lilies One of the most beautiful of all Lilies, producing stalks from 3 to 5 feet tall, large, trumpet-shaped flowers, sweet scented, pure, transparent white, with canary-yellow throat, and shading of delicate pink on the outside. Blooms in July. Is hardy and easily grown from seed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

REGALE LILIES

Anemone—Monarch Double This new strain is almost double the size of the average Anemone, and the colors are rich in shades of scarlet, cerise, deep rose, and blue tones.

Mixed—Pkt., 40 seeds 5¢; 100 seeds 10¢.

Hollyhocks—Perennial Effective for backgrounds, and one of the most popular of hardy plants.

Triumph—Double Grows 4 to 5 feet high, is of branching habit, with waved and fringed flowers.

Over 40 distinct colorings have been found in one planting, 10 days earlier than others.

Mixed—Pkt., 40 seeds 5¢; 100 seeds 10¢.

DOUBLE MIXED—Complete mixture of all the colors. Pkt., 50 seeds 5¢; 125 seeds 10¢.

SINGLE MIXED—Wide range of beautiful colors of single flowering Hollyhocks.

Pkt., 100 seeds 5¢; 300 seeds 10¢.

DOUBLE HOLLYHOCKS

Delphinium—Hybrid DeLuxe

This is a marvelous race of Giant Hybrid Delphiniums, embracing many shades and colors such as lavender, blue, azure, purple, indigo, etc.

Flowers are of immense size, single, double and semi-double on tall spikes produced on giant plants from 4 to 6 ft. tall. Mixed Shades and Colors. Pkt., 70 seeds 5¢; 150 seeds 10¢.

PURE WHITE—Selected from the above Hybrids, mammoth white spikes, 5 to 6 ft.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Hardy Carnations—Giant Double

The large double and fringed flowers in beautiful shades have a delightful clove-like fragrance. They are easily grown in the garden and bloom in 5 to 6 months from Spring sown seed and continue until frost. These are perennials but they will bloom from seed the first year. Mixed—Pkt., 75 seeds 5¢; 200 seeds 10¢.

GIANT DOUBLE CARNATIONS MIXED

TRIUMPH HOLLYHOCKS

DOUBLE ANEMONES

HYBRID DELPHINIUMS

Achillea

Anchusa

Double Shasta Daisy

Single Shasta Daisy

Pink Gypsophila—Pacifica

Achillea THE PEARL. One of the best white-flowering perennials. From Spring to Fall covered with clusters of small snow-white, double flowers. A splendid cut-flower for vases. Very easy to grow. About 2 feet tall.

Pkt., 300 seeds 5¢; 800 seeds 10¢.

Agrostemma (Rose Camellion) CORONARIA. An attractive free-flowering hardy perennial of easy culture with very beautiful pink, blood-red and white flowers with silvery foliage. Fine for cutting and blooms from June to September. 2 feet tall.

Mixed: Pkt., 300 seeds 5¢; 800 seeds 10¢.

Asters—Perennial A strong and upright growing, free flowering plant producing beautiful blooms. Splendid for cutting.

Mixed: Pkt., 100 seeds 5¢; 300 seeds 10¢.

Arabis (Rock Cress) ALPINA. A hardy perennial plant and one of the very earliest to bloom, with its spreading tufts completely covered with a sheet of pure white flowers. Unequalled as a rock plant or for edging. Grows from 6 to 8 inches tall.

Pkt., 400 seeds 5¢; 1200 seeds 10¢.

Anthemis (Kelway Yellow) Perfectly hardy, succeeding in the poorest soil but requiring a sunny position. Its flowers of lemon-yellow color are produced in profusion throughout the Summer, much prized for cutting. Long-stemmed, 2 feet tall.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Anchusa ITALICA (Dropmore Variety). One of the very best blue-flowering hardy perennials. Plants produce a profusion of rich, deep sky-blue flowers from June to August. A permanent, showy plant for the hardy border, 3 to 5 feet.

Pkt., 30 seeds 5¢; 75 seeds 10¢.

Armeria—Dwarf Thrift LAUCHEANA. A beautiful dwarf growing perennial with grassy leaves and tufted habit of growth, very free flowering with medium sized flower heads of deep rose. Combine nicely with Forget-Me-Nots in rockery or dwarf border. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Bocconia (Plume Poppy) CORDATA. A very effective hardy perennial, can be grown in groups or as single specimens on lawns. Attractive bearing spikes 2 to 3 feet long loaded with cream colored flowers on plants growing 6 to 8 feet high.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Candytuft—Perennial GIBALTARICA. Dwarf, evergreen plants 8 to 12 inches high covered with violet rose bloom in Spring and early Summer, excellent for low borders or rock gardens where bright, dwarf masses are wanted.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Chrysanthemum—Mawii A new perfectly hardy perennial with rich pink flowers, about two inches across, 12 inches high. Ideal for the perennial border or rockery.

Pkt., 50 seeds 5¢; 125 seeds 10¢.

Double Giant Shasta Daisy This new Giant Double Shasta Daisy is a perennial and a great addition to our cut flower varieties. The blooms are large, about 5 inches across; white, with fringe-like petals and a golden yellow center; the stems are long and wiry, each plant producing several of the long stems and they flower for about 3 months. The flowers look very much like Giant Asters (see photo).

Pkt., 40 seeds 10¢; 100 seeds 20¢.

Daisy—Single Shasta A perennial with pure white flowers, on long stiff stems. A valuable flower for the hardy border; also excellent for cutting. Very easy to grow, blooming the first season if seed is sown early.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Geum These are said to belong to the Rose family and are a beautiful flower. They are very free flowering and make attractive plants for the hardy border and excellent for cutting. The beautiful double and semi-double flowers are very dainty and are produced in golden yellow, scarlet and orange colors. Although it is a perennial, flowering from June to September, they bloom from Spring sown seed the first season if plants are started early.

Hybrida Mixed: Pkt., 75 seeds 5¢; 200 seeds 10¢.

Gaillardia (Perennial Sorts) Among the showy and most effective hardy perennial plants. If sown early they begin flowering in July and continue in shades of crimson, scarlet, yellow and gold.

Mixed Colors: Pkt., 100 seeds 5¢; 300 seeds 10¢.

New Gaillardia—Goblin The first really dwarf compact Gaillardia, especially suited to the rock garden. The neat plants reach a height of about 12 or 15 inches and are closely covered with large showy yellow-banded deep red flowers. It is a perennial and if seed is sown early the plants will flower the same year.

Pkt., 30 seeds 5¢; 75 seeds 10¢.

Gypsophila Pink—Baby's Breath PACIFICA. This is a new pink-colored hardy perennial Baby's Breath that is easy to grow and thrives in most any soil. The second year the seedlings make dense plants 3½ to 4 feet high and are a veritable cloud of numerous tiny pink blooms on slender spreading panicles. An advantage of this new Baby's Breath is that it blooms after Paniculata varieties have passed.

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Gypsophila (Baby's Breath) PANICULATA. The favorite hardy perennial that should be in every garden. The plants are covered with miniature, pure white flowers in panicles very dense that form a gauze-like appearance and are fine for using in combination with other flowers.

Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Hibiscus (Mallow Marvels) Very showy and ornamental perennial for beds or shrubbery borders, with large, showy flowers in shades of pink, carmine and rose. Grows 4 to 5 feet high.

Giant Mixed: Pkt., 75 seeds 5¢; 200 seeds 10¢.

Lathyrus—Perennial Sweet Pea A very desirable hardy climber growing 6 to 8 feet high when trained on trellis. The flowers are borne in colors of white, rose-pink, red and blue shades. Peculiarly adapted to rough places, such as scrambling over rocks and bushes. Flowers are long-stemmed and excellent for cutting.

All Colors Mixed: Pkt., 40 seeds 5¢; 100 seeds 10¢.

Perennial Aster

Candytuft—Perennial

Geum

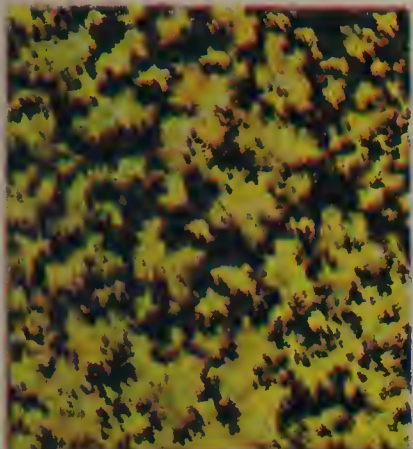

Gaillardia—Goblin

Hibiscus

Lathyrus

ALYSSUM—BASKET OF GOLD

PYRETHRUM

COREOPSIS—GOLDEN WAVE

ECHINOPS

EMPEROR POPPY

Alyssum (Basket of Gold) **SAXATILE COMPACTUM**. The perennial Alyssum grows about 10 inches tall, and has very showy, bright yellow bloom early in the Spring, excellent for edgings or rock gardens. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Dianthus (Hardy Garden Pinks) Very popular perennial and will bloom the first season from seed sown in the Spring, and continue to bloom freely for many weeks. Their compact growth makes them valuable for borders and rock gardens in their brilliant colors and beautiful markings. Mixed Double and Single. Pkt., 400 seeds 5¢; 1000 seeds 10¢.

Pyrethrum (Painted Daisy) Hardy perennial plants that are very ornamental with their fern-like foliage, having long stems with daisy-like flowers in pure white and various shades of pink and rose. The flowers on their long stems are fine for cutting; last well in water. Blooms from June to October. 2 feet. Single Hybrids Mixed—Pkt., 250 seeds 5¢; 600 seeds 10¢.

Aquilegia—Columbine Long - Spurred Varieties. Free - flowering perennial during May and June. We offer a combination of colors in a special mixture of large, flowering, long-spurred hybrids in exquisite colors. Seed sown early will produce many plants to bloom first season. Mixed—Pkt., 100 seeds 5¢; 250 seeds 10¢.

Coreopsis (Golden Wave) **GRANDIFLORA**. An excellent perennial with large, orange-yellow flowers on long, graceful stems. About the best yellow flower that blooms from June to Fall. (See photo.) Pkt., 200 seeds 5¢; 500 seeds 10¢. **GRANDIFLORA**. (Double Golden Wave). This makes a wonderful showing in the garden and produces a great supply of cut flowers. This variety produces a great number of double and semi-double yellow flowers. Pkt., 200 seeds 5¢; 500 seeds 10¢.

Chinese Lantern Plant (Physalis Franchetii.) An interesting hardy perennial. The seed pods are produced in balloon-like husks, which are first green, slowly changing to scarlet-red, closely resembling miniature Chinese Lanterns. Branches holding these lanterns are easily dried and are popular for house decoration in Winter. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Echinops—Ritro Flower heads produced on stalks 3 to 4 feet tall are round like a ball, steel blue color, entirely covered with needle-like spines. Fine for cutting or can be dried. Interesting plant. Pkt., 50 seeds 5¢; 125 seeds 10¢.

Violets—Sweet-Scented These produce beautiful, rich, dark blue sweet-scented blooms freely in Spring, and again in Fall. Every garden should have them. Pkt., 75 seeds 5¢; 200 seeds 10¢.

Tritoma (Red Hot Poker; Torch Lily) Very showy, hardy perennial for the border with flower spikes 3 to 4 feet in length, in colors of orange-scarlet and bright red. At a little distance the flower spikes give the effect of flaming spear heads. Hybrids, Pkt., 100 seeds 5¢; 250 seeds 10¢.

Campanula (Canterbury Bells) Flowers in light and dark blue, rose-pink, white and striped. Easily grown from seed. **CAMPANULA, SINGLE**. Bell-shaped flowers during May and June. Mixed—Pkt., 500 seeds 5¢; 1500 seeds 10¢. **DOUBLE**. Same type and colors, except the cups or bells are double. Mixed—Pkt., 300 seeds 5¢; 1000 seeds 10¢. **CUP AND SAUCER CANTEBURY BELLS**. They differ from the ordinary type in having an extra large calyx, giving the appearance of a cup and saucer; about 30 inches tall. Mixed Colors—Pkt., 300 seeds 5¢; 1000 seeds 10¢. **CAMPANULA (Bluebells)**. A beautiful, hardy perennial, 4 to 5 feet tall. Bell-shaped flowers a beautiful shade of blue. Pkt., 200 seeds 5¢; 500 seeds 10¢.

New Iceland Poppy—Emperor A new Iceland Poppy, extremely large fluted flowers of deep tangerine orange color, strong wiry stems, 18 to 22 inches long. Plants hardy and bloom first year from seed. Pkt., 200 seeds 5¢; 500 seeds 10¢.

Iceland Poppies—Art Shades Our seed stock of this new strain of Hardy Iceland Poppies Art Shades, came direct from the originator. We find they are unusually attractive, perfectly hardy and flower the first season from seed. They produce flowers of good size on wiry stems of medium length and are fine for cutting and for garden decoration and last well in water. The color range is unusual, many art shades with dainty picotee edgings to the petals in contrasting tones, others in softer ones, many having radiating rings in brilliant scarlet and gold. Culture directions on all packets. Mixed—Pkt., 200 seeds 5¢; 500 seeds 10¢.

Iris Japanese

year from seed.

A wonderful mixture of colors. Plant grows 2 to 3 feet tall, and blooms second year from seed. Mixed: Pkt., 50 seeds 5¢; 125 seeds 10¢.

Liatris—(Kansas Gay Feather)

SPICATA.

A highly desirable hardy border plant growing from 3 to 4 feet high and producing long spikes of purple and rosy-purple flowers from July to Sept. Flowers are very attractive and much used for cutting. Pkt., 50 seeds 5¢; 150 seeds 10¢.

Lychnis

(Chalcedonlea Jerusalem Cross)

Handsomeness, hardy, free-flowering perennial of easy culture, for beds or borders. About 2 feet tall. Produces large flower-heads of brilliant scarlet, blooms in mid-summer. Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Pentstemon

(Gloxinoides)

A perennial nearly equal to the Petunia as a bedding plant, covered with Gloxinia-like flowers in red, rose, carmine, cherry, pink, lilac and purple. About 30 inches tall; succeeds anywhere.

Mixed: Pkt., 200 seeds 5¢; 500 seeds 10¢.

Platycodon—Japanese Bellflower

One of our best blue

hardy perennials producing very showy flowers all season. Easily grown from seed. 2 feet. Pkt., 300 seeds 5¢; 800 seeds 10¢.

Perennial Phlox

DECUSSATA.

Hardy Herbaceous perennial quite distinct from the annual Phlox offered on page 11. The seed we offer is saved from the very best specimens of the perennial phlox plants having many shades and colors. Grows about 3 feet high.

Mixed: Pkt., 40 seeds 10¢; 100 seeds 20¢.

Primula—English Primrose

VULGARIS.

This charming Spring flowering perennial produces plants averaging about 8 inches in height and is covered with very pleasing bright yellow flowers with delightful fragrance. Easy to grow from seed. Pkt., 100 seeds 5¢; 250 seeds 10¢.

Polemonium—Jacob's Ladder

A stately, hardy perenn

ial border plant, 2 feet high with bell-shaped flowers, flowering from May until July; color of flowers a very attractive blue. An interesting plant for the hardy border. Pkt., 100 seeds 5¢; 300 seeds 10¢.

Rudbeckia—Golden Glow

A most popular perenn

ial plant, 6 feet high, producing masses of large, double, yellow flowers with dark centers.

Pkt., 200 seeds 5¢; 500 seeds 10¢.

Ranunculus—French Hybrids

This perennial may be

grown from seed and our collection of Hybrids produces very large double Camellia-flowered blooms of the brightest and most attractive colors. Long stems. Mixed Colors: Pkt., 200 seeds 5¢; 500 seeds 10¢.

Stokesia—Stoke's Aster

CYANEA.

A beautiful lavender-blue flower 4 to 5 inches across, on plant about 18 inches high, fine for cutting and one of our most desirable perennials. It bears freely from July to frost and is of easy culture in a sunny position and is an excellent border plant.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Sweet Rocket—Hesperis Matronalis

A showy perenn

ial growing about 2 feet tall, covered with sweet-scented flowers in white and purple. Mixed: Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Sweet William

A most satisfactory old-fashioned hardy

perennial. The rich colors are very pleasing and should be in every garden. It is of easiest culture succeeding most anywhere.

Mills Special Mixture: Contains the best colors in double and single flowering varieties. Plant in solid beds, rock garden, or the perennial border for a fine display.

Pkt., 175 seeds 5¢; 400 seeds 10¢.

Scabiosa—Blue Bonnet

CAUCASICA.

A beautiful hardy perennial, good for garden display and cutting. The large, lavender-blue flowers are borne profusely on long stems. Plants grow about 20 inches tall.

Pkt., 40 seeds 5¢; 100 seeds 10¢.

Snow-in-Summer

(Cerastium) TOMENTOSUM.

Pretty dwarf, hardy perennial with silvery foliage and small, white flowers in May and June. Suitable for rock gardens or for carpeting dry sunny spots. 8 to 12 inches high. When in full bloom plants appear like a bed of snow. Easy to grow.

Pkt., 300 seeds 5¢; 1000 seeds 10¢.

Statice—Sea Lavender

LATIFOLIA.

A lovely hardy perennial with large loose flower heads composed of many small lavender flowers. Grows about 18 to 20 inches tall.

Pkt., 150 seeds 5¢; 400 seeds 10¢.

Thalictrum—Meadow Rue

AQUILEGIFOLIUM.

The graceful feathery flower heads are produced in a shade of rosy purple in mid-summer. About 3 feet, fern-like foliage. Pkt., 75 seeds 5¢; 200 seeds 10¢.

Valeriana

(Hardy Heliotrope)

A hardy perennial 2 feet high, having pink, red, and white flowers that bloom during June and July, with a very delightful odor.

Mixed: Pkt., 200 seeds 5¢; 500 seeds 10¢.

Veronica—Speedwell

An elegant hardy perenn

ial border plant, growing about 18 inches high, producing long spikes of flowers in June and July. In white, pink, and violet-blue.

SPICATA MIXED: Pkt., 300 seeds 5¢; 800 seeds 10¢.

Wallflowers

Bloom early in Spring, having spikes of beau-

tiful, delicately fragrant flowers in many colors of closely set flowers on the flower spikes.

Single and Double Mixed: Pkt., 125 seeds 5¢; 300 seeds 10¢.

Pentstemon

PERENNIAL SEEDS for ROCK GARDENS

At a very small cost you can have about thirty different kinds of perennials, and several of each kind, by sowing our mixture of perennial seed from those kinds growing from 3 to 12 inches high, most of which bloom the first year if sown early, producing a large supply of perennial plants which would cost many dollars were you to buy them.

The seed may be sown in a bed and transplanted later to the Rock Garden, selecting plants best suited to the various spots which will add to the charm of your garden. Ten cents worth of this seed should give a great collection of different plants. **Perennial Seeds Mixed.**

Pkt., 600 seeds 5¢; 1500 seeds 10¢.
Leaflet "How to Make Rock Gardens" free with order.

AUBRIETIA—Monarch Strain

Aubrietia—Monarch Strain Plants are of dwarf, compact, neat habit in growth and very free flowering. The mixture contains colors of almost every conceivable shade of deep red, rosy violet, rose, violet, lavender, pink, purple, blue, mauve, etc., and a bed in bloom makes a riot of color and visitors have said they resemble Persian carpets. Culture on packets. **Hybrids Mixed Colors.**

Pkt., 100 seeds 5¢; 200 seeds 10¢.

Viola Cornuta or Tufted Pansies

Violets are fine for edging or rock gardens. If planted in masses or rows they form perfect mats covered with their dainty flowers from Spring to cold weather.

Being a Perennial and perfectly hardy may be grown in the same manner as Pansies and will bloom continuously if the faded flowers are kept nipped off. Produce wonderful shades and colors. **Mixed Colors.**

Pkt., 100 seeds 5¢; 250 seeds 10¢.

Lupins—Perennial Most beautiful hardy border plants, 2 to 3 feet tall, producing tufts of soft green foliage, from which arises a continuous succession of stately spikes of bloom in May and June. The long spikes of flowers are produced in a great variety of colors. Do not disturb plants after once established. **Hybrids Mixed.**

Pkt., 70 seeds 5¢; 150 seeds 10¢.

Giant Bellis—Monstrosa Gigantea

This perennial is becoming very popular because of its bright colors, profuse and long-blooming habit, and dwarf compact growth. Plants are hardy and the double flowers are borne on stiff stems making it attractive for bouquets.

Mixed—Pkt., 200 seeds 5¢; 500 seeds 10¢.

Bellis—Double English Daisy

A dwarf early flowering perennial covered with masses of double flowers in very pretty colors. Will bloom for years if protected during Winter.

Mixed—Pkt., 300 seeds 5¢; 800 seeds 10¢.

Foxglove—(Digitalis) Free-flowering perennial 4 to 5 feet tall that flowers during June and July, colors from pure white to deep rose and primrose-yellow, blotched with dark maroon.

Mixed—Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Salvia—Blue Bedder Perennial but best treated as an annual. Seed sown early will bloom from July until frost. Plants 2½ to 3 feet high producing long spikes with attractive light blue flowers. With slight Winter protection plants last for years.

Pkt., 100 seeds 10¢; 250 seeds 20¢.

Perennial Poppies

ORIENTAL SCARLET—These are highly decorative and hold an unrivaled position for gorgeous effectiveness in the garden. The immense red flowers, 6 inches or more across, are borne on strong stems 2 to 3 ft.

Pkt., 200 seeds 5¢;
500 seeds 10¢.

ORIENTAL Mixed—Dazzling shades and colors—scarlet, orange, fiery red, salmon.

Pkt., 300 seeds 5¢;
800 seeds 10¢.

Iceland-Poppies

SUNBEAM HYBRIDS—An improved strain with long stems, and large flowers in beautiful shades of lemon, white, yellow and orange scarlet.

Mixed—Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Sanford's Giant Flowers come in wide range of colors on long stiff stems. Bloom first year from seed and are hardy, flowering year after year.

Pkt., 500 seeds 5¢; 1500 seeds 10¢.

Poppy—O. Scarlet

New and Improved VEGETABLES

We offer what we consider the best varieties of VEGETABLE SEEDS for the HOME GARDEN.

The *New and Improved Vegetables* offered on this page and 37 we feel sure will give perfect satisfaction. Beginning on page 38 will be found a *Select List* of the best *standard* and *reliable* varieties we recommend.

All our Vegetable Seeds are tested for Germination and the test stamped on each package.

See Inside Front Cover for New 1939 Discounts.

New Hopi Vining Lima Bean

Claimed to be a new family of Beans discovered in the Hopi Indian Reservation in Arizona. It was only recently introduced and found to be a very profitable Lima to grow. It is early and has the flavor of the large Lima and can be used either as a green or dry Bean. Its native home being at an altitude of 6000 ft. it should be adapted to the northern part of the United States, and is claimed to do well in the Gulf section. It can be grown as a vining Lima without poles or with them and our trials have proved it an early Lima. Pkt., 40 to 50 seeds 10¢; ½ lb., 40¢.

Beet—Perfected Detroit

An Improved Strain of Detroit Dark Red turnip Beet that matures in about 50 days. It is as near perfection as breeding skill can produce; color outside and in is very dark red, flesh is tender and of fine flavor. Is almost a perfect globe in shape with small top, and very desirable for pickling and canning. Pkt., 200 seeds 5¢; oz., 20¢.

Carrot—Golden Beauty—Best for Home Garden

An early Carrot of deep orange-red color, smooth flesh of fine texture and rich flavor. Highly recommended for bunching, roots free from stringiness and very uniform in size as shown by our photo of three average roots. Ready in about 70 days. Pkt., 1500 seeds 5¢; oz., 15¢.

Cabbage—Jersey Queen—Earliest of All

Earliest of all our Cabbages and was selected from Early Jersey Wakefield stock, is identical in type and is resistant to "cabbage yellows," maturing in about 55 days. Leaves smooth and dark green, heads pointed and compact permitting close planting, being ideal for truck farming or home gardens. Excellent shipper. Pkt., 250 seeds 5¢; oz., 40¢.

Cucumber—Earliest Everbearing

A reliable everbearing variety producing its first fruits very early and continuously over a long period. The smooth fruits, medium in size, are produced in abundance closely set on strong vines. It retains its rich dark green color for a long time, and the flesh is pure white at all stages of growth. About 55 days. Pkt., 150 seeds 5¢; oz., 15¢.

New Lettuce—Atlantic

This new Lettuce has been pronounced a Novelty of unusual merit, which we offer this year for the first time. It is a quick-growing hardy Lettuce, tender-leaved of pale green color, of fine quality with a rich flavor. It is very desirable as an early Lettuce, and suitable for autumn sowing and transplanting in cold frames or outdoors in early Spring. The heads are of medium size, compact growth, and tightly folded. Our trials show it stands longer than most sorts before going to seed. Ready in about 55 days. Pkt., 800 seeds 5¢; oz., 20¢.

New Radish—Billiard Ball

A splendid forcing Radish perfectly round in shape as its name indicates, and about an inch in diameter. It has a small top, very small tap root, and the color is a bright fiery scarlet red. One of the most attractive Radishes for forcing or the home garden that will develop in from 22 to 25 days. Pkt., 300 seeds 5¢; oz., 10¢.

Hopi Lima Bean

Perfected Beet

Jersey Queen Cabbage

Radish—Billiard Ball

Cucumber—Everbearing

Atlantic Lettuce

Sweet Corn—Earligold

Sweet Corn—Earligold—New Hybrid

This is one of the earliest Hybrids in America. It was developed to meet the growing demand for an Early Yellow Hybrid. It is earlier than most Hybrids maturing in about 72 days. Ears are 6½ to 7 in. long and well filled with yellow kernels of medium breadth and depth, 12 to 16 rowed.

Pkt., 80 seeds 10¢; ½ lb., 35¢.

Pepper—Earliest Giant—About 110 Days

The earliest of all our Peppers and one of the largest; good for growing in the North where other varieties will not mature. Plants are bushy of compact growth, and very productive; fruits large, skin rich deep green, turning to a brilliant fiery red when fully ripe. Flesh is sweet, crisp and mild, and an all around good reliable early Pepper.

Pkt., 100 seeds 5¢; ½ oz., 30¢.

Watermelon—Northern Sweet—Earliest of All

A recent introduction from Minnesota which is proving very popular where the growing season is limited. It is among the very best Watermelons of the smaller early varieties for the home garden averaging from 10 to 12 pounds each. Color is green with narrow stripes of a darker green while the flesh is sweet and good quality, dark pink in color, and edible in about 78 days.

Pkt., 50 seeds 5¢; oz., 15¢.

Vegetable Spaghetti—A Novelty Worth Growing

This Vegetable was only recently introduced and we have good reports on it; grows on vines like a cucumber or squash and requires about the same cultivation. Plants grow quite strong and the fruits are white-skinned and usually average 8 to 10 inches long and 4 to 5 inches in diameter. Fruits have wonderful keeping quality and they can well be stored until late Spring. Do not pick fruits when too young, leave them on the vine until fully matured. Cultural directions on packets.

Pkt., 75 seeds 5¢; oz., 15¢.

Vegetable Peach or Garden Lemon

Attain the size of a peach, of a bright orange color, somewhat russeted, and produced on vines smaller than a muskmelon vine and require the same cultivation. Are easily grown, are enormously productive and fruits are fine for pies, sauce, preserves or sweet pickles. Recipes for cooking, canning and preserving on every packet. Ripen in about 90 days.

Pkt., 100 seeds 5¢; oz., 15¢.

Tomato—Giant Climbing or Mammoth Prize

Gives complete satisfaction everywhere, for the massive fruits possess every good quality desired, are almost perfect in form and very solid. The vines when properly trained will attain a height of 8 to 10 feet and carry an enormous weight of the immense fruits, which often weigh one, and two pounds each. It is unsurpassed in fine quality for slicing, having very few seeds. Every garden should have a few of these Giant Tomato plants. They begin to ripen in 100 to 110 days and continue until killed by frost. Photo shows giant tomato vines of Giant Climbing grown by one of our customers.

Pkt., 150 seeds 5¢; ½ oz., 40¢.

Muskmelon—Mills Earliest—Salmon Flesh

One of the very earliest and best salmon-fleshed Melons of fair size, and the quality cannot be surpassed. Flesh is very thick of fine grain and of luscious flavor. Melons run uniform in size of good quality and is a most excellent variety for the home garden. Ready in about 80 days under normal conditions.

Pkt., 200 seeds 5¢; oz., 15¢.

New Spinach—Viking—Ready in 45 Days

The largest variety we have ever grown, producing immense leaves of the thick-leaved type, and is a long standing sort. Its leaves are smooth to slightly crumpled, dark green and of good quality for home or market.

Pkt., 250 seeds 5¢; oz., 10¢.

Mr. and Mrs. A. A. Melanson, Wakefield, Mass., writes—We enclose you photo of our *Road Stand of Vegetables and Flowers*, every one being grown from *Mills Seeds*. Many varieties we could not get on the stand for lack of room. *Mills Tested Seeds* are the only *Seeds* for us. Our dog *Curley* watches the stand and barks to tell us when there is a customer.

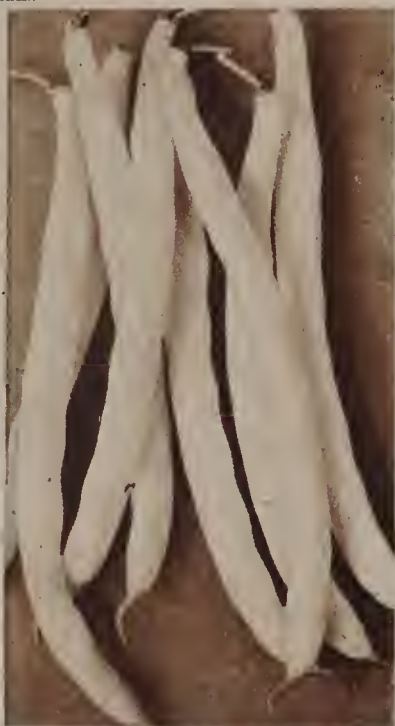

MILLS BUSH BEANS

We make a specialty of supplying Beans for planting Home Gardens. All our SEED BEANS are put up in PACKETS and one-half pound PACKAGES for mail delivery. Plant in rows 2½ to 3 ft. apart. A packet will plant 20 to 25 feet of row and one-half pound about 100 feet of row.

Wax or Yellow Pods

Golden Wax—Rust-Proof

We consider this one of the best Rust-Proof Wax Beans in cultivation, producing heavy crops of large, attractive, golden yellow pods entirely stringless at all stages of growth; fleshy, tender and brittle. Ready in about 54 days. Pkt. (125 seeds), 10¢; ½ lb., 25¢.

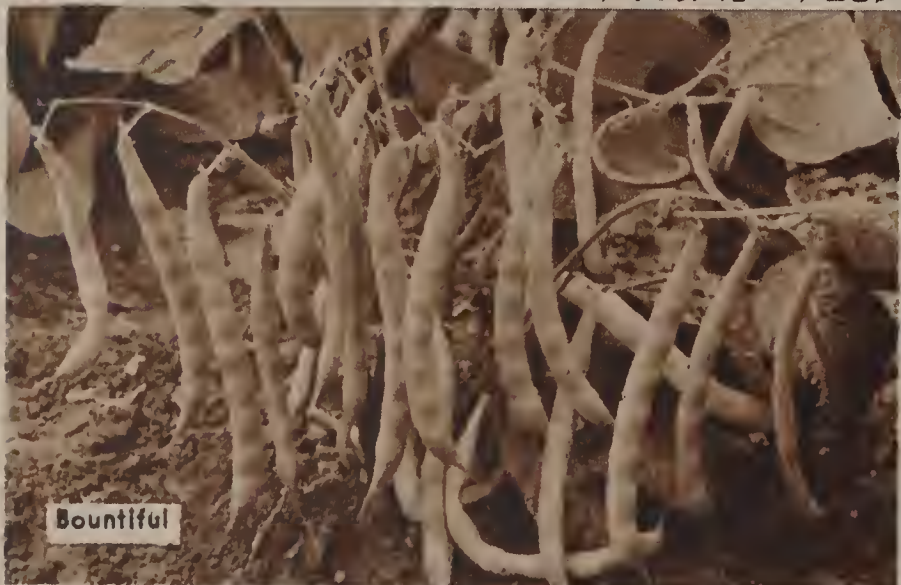

Surecrop—Stringless Wax

Plants grow upright and carry a heavy crop of handsome rich yellow pods. They branch freely, holding pods well up from the ground and the meaty tender pods are of fine flavor and stringless at all times. Surecrop Wax is a great favorite in the home garden as a tender snap Bean and also for pickling. It is ready for pickling in about 62 days.

Pkt. (125 seeds), 10¢; ½ lb., 25¢. Golden Wax—Rust-Proof

GREEN PODS The Green Pod Beans are preferred by many.

Giant Stringless One of the best quality, highly productive, having handsome dark green pods. The slightly curved pods are very meaty, stringless and always give satisfaction. Ready in about 56 days. Pkt. (125 seeds), 10¢; ½ lb., 25¢.

Bountiful One of the best early stringless green pod Bush Beans. Pods stringless and of fine quality, one of the first to furnish tender pods early in the Spring and bear over a period of several weeks. Ready in about 51 days under normal conditions. Pkt. (125 seeds), 10¢; ½ lb., 25¢.

BUSH LIMA BEANS

Packet will plant 15 to 20 feet of row, ½ lb. 50 to 60 feet.

Early Bush Lima Smaller than others but the earliest Bush Lima and of superior quality. Fine for using when green or matured for Winter use. 65 days. Pkt. (100 seeds), 10¢; ½ lb., 25¢.

Mammoth Bush Lima The best large Bush Lima, growing 18 to 20 inches tall, producing pods large as Pole Limas, but nearly 2 weeks earlier. Beans are thick, of excellent quality of buttery Lima flavor, and a heavy yielder. Green beans in 75 days. Pkt. (30 to 40 large seeds), 10¢; ½ lb., 30¢.

POLE BEANS

Use one packet of seed to about 15 poles, one-half pound to 50 poles.

Kentucky Wonder

(Green Pod.) One of the earliest green-podded Pole Beans. Pods are of a silvery green color and almost stringless. 65 days.

Pkt. (60 seeds), 10¢; ½ lb., 30¢.

Golden Cluster Wax

For a Wax Pole Bean, Golden Cluster is one of the best. Produces great numbers of handsome, waxy yellow pods, thick, fleshy, of delicious flavor. 70 days.

Pkt. (60 seeds), 10¢; ½ lb., 30¢.

Giant Podded Pole Lima

One of the earliest Pole Limas and very productive. Pods hang in large clusters, with 3 to 5 big, fat, buttery beans of finest quality to each pod. About 90 days.

Pkt. (30 to 40 large seeds), 10¢; ½ lb., 35¢.

Kentucky Wonder

IMPROVED 1200 TO 1 BEAN

Improved 1200 to 1

Not a snap bean but the most productive Winter white shell bean for baking. The plants produce great quantities of pods carried well above the ground, filled with nearly round, pure white beans of the best quality. The crop ripens evenly and usually is ready for harvesting in about 75 days with favorable weather. Pkt. (150 seeds), 10¢; ½ lb., 20¢.

MILLS TABLE BEETS

Beets are so easy to grow that they should be in every garden. Seed can be sown as early in the Spring as the ground can be made ready. One packet of seed will sow about 25 feet of row; one ounce, 100 feet.

Leaflet, "How to Grow Beets" free with order if asked for.

BEET—Perfected Detroit—See Page 36.

Mills Extra Early Blood Turnip

A selected strain; one of the finest blood turnip all-purpose Beets. Very early, uniform in size and shape, fine grained and handsome in appearance. Its fine quality makes it a great favorite with all our customers. Ready in about 48 days.

Pkt., (250 seeds), 5¢; oz., 15¢.

Crosby's Egyptian

Popular extra early garden Beet. Handsome in form, small tops, fine quality, flesh deep red, and of rapid growth. Ready in 50 days.

Pkt., (250 seeds), 5¢; oz., 10¢.

SWISS CHARD OR SPINACH BEET

Grown for its leaves; makes delicious greens. Packet will sow about 25-foot row, ounce, 100 feet.

Lucullus A large variety with crumpled leaves; color a light yellowish green. The large leaves keep shooting out all Summer. 60 days.

Pkt., (250 seeds), 5¢; oz., 10¢.

Fordhook Giant

The rich dark green leaves grow very large and are crumpled. Stems are pearly white and quality is the best. 60 days.

Pkt., (250 seeds), 5¢; oz., 15¢.

CARROTS

GOLDEN BEAUTY—See Page 36.

Imp. Long Orange

One of the few crops that do well in all soils; sow anytime from early Spring to July. Pkt. to about 30 ft. row; oz., 150 ft.

Improved Long Orange

Roots grow uniform in size, about 10 inches long, smooth, and the color is a deep rich orange. Splendid keeper. 85 days.

Pkt., (1500 seeds), 5¢; oz., 15¢.

Orange Danvers

Popular Carrot for the home garden or for market. An excellent sort for Winter storage. The flesh, a rich orange color, is fine-grained, of a sweet flavor, and matures in about 75 days.

Pkt., (1500 seeds), 5¢; oz., 15¢.

Earliest Scarlet

Earliest of all Carrots and the very best for forcing and of excellent quality, of a rich orange-red color. Ready in about 60 days.

Pkt., (1500 seeds), 5¢; oz., 15¢.

Oxheart

A favorite for the home garden, growing 4 to 6 inches long. It is a distinct variety, maturing in about 70 days.

Pkt., (1500 seeds), 5¢; oz., 15¢.

Oxheart

Danvers

Detroit Dark Red

Detroit Dark Red

A Popular Beet

It is especially desirable for the home garden on account of its good quality, being sweet, tender, and fine grained. The rich dark red flesh is very tender throughout the season. Ready in about 53 days.

Pkt., (250 seeds), 5¢; oz., 10¢.

Early Pickling

Early Pickling

One of the best Early Blood Turnip Beets for pickling, on account of its small round uniform shape. Color a glossy red of fine quality. Is especially good for greens. Can be stored and is fine for Winter use on account of its long keeping qualities. Ready in 45 to 50 days.

Pkt., (250 seeds), 5¢;

oz., 10¢.

Mixed Table Beets One planting of this seed will give many different Beets from the earliest to the late sorts, and will furnish a supply throughout the season.

Pkt., (250 seeds), 5¢; oz., 10¢.

MANGELS-SUGAR BEETS

A splendid Winter feed for cattle, sheep, hogs, and poultry. Packet will plant 25-foot row; one ounce about 50 feet.

Golden Tankard The most desirable yellow Mangel an immense yielder. 100 days.

Pkt., (300 seeds), 5¢; oz., 10¢; 1/2 lb., 35¢.

Mammoth Prize Long Red The most popular red Mangel, often weighing from 20 to 30 lbs. 105 days.

Pkt., (300 seeds), 5¢; oz., 10¢; 1/2 lb., 35¢.

Klein Wanzleben Sugar Considered the best Sugar Beet. Large smooth white roots, enormous yielder, widely grown for stock feeding and sugar. 90 days.

Pkt., (300 seeds), 5¢; oz., 10¢; 1/2 lb., 30¢.

PARSLEY

Easily grown in the garden. Pkt. for 20 feet of row, ounce 150 feet.

Moss Curled

The most popular variety, with beautifully crumpled and curled leaves, dark green color. Because of its pleasant flavor it is the variety most extensively used for garnishing soups and salads. Ready in 70 to 75 days.

Pkt., (800 seeds), 5¢; oz., 15¢.

SPINACH

This is the easiest crop for tender greens. Sow very early in the Spring and at intervals up to June or July. Packet for 25-foot row. 1 ounce 100 feet.

NEW VIKING—See Page 37.

New Zealand

Hot Weather Sort

Withstands Summer heat and keeps on bearing as the spreading plants send out side shoots continually, the tips of which are always fresh and tender. Have Spinach all Summer and Fall. About 65 days.

Pkt., (150 seeds), 5¢; oz., 15¢.

Princess Juliana

Very thick leaves, large and rounded, a rich dark green color, blistered, crumpled and fine for home garden. About 50 days.

Pkt., (300 seeds), 5¢; oz., 10¢.

Early Giant Thick-Leaved Very early with broad, dark-green thick leaves. Long standing and a strong grower. About 45 days.

Pkt., (300 seeds), 5¢; oz., 10¢.

New Zealand

CABBAGE

A packet of seed will produce from 200 to 300 plants, one ounce about 2000. Leaflet, "How to Grow Cabbage and Cauliflower" free with order if asked for.

JERSEY QUEEN—Extra Early Disease Resistant Cabbage—See Page 36.

60-Day Cabbage

The earliest hard-heading Cabbage, producing fair sized heads in 60 days when growing conditions are favorable. The pointed heads are solid, fine grained and are highly recommended for the home garden or market.

Pkt. (300 seeds), 5¢; oz., 25¢.

Giant Flat Dutch

A very compact grower, forming large, solid heads, bluish green in color with short stem, heads flat on top without tendency to burst. A fine, late Cabbage ready in about 115 days.

Pkt. (500 seeds), 5¢; oz., 20¢.

Surehead

Well entitled to its name as it is in reality sure heading, and one of the most reliable main crop, late Cabbages. Heads are large and thick, somewhat flattened, very firm and solid; uniform in size and color, is a splendid shipper, keeps well. Of the finest quality, maturing in about 110 days. Pkt. (500 seeds), 5¢; oz., 20¢.

Mammoth Rock Red

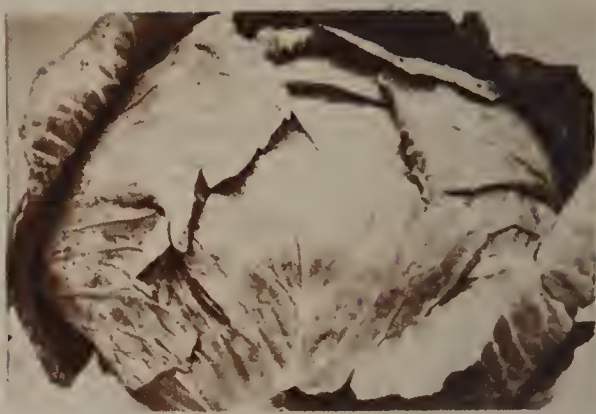

The largest of the Red Cabbages and the most sure-heading variety; also the best for pickling. The heads are round and very solid, the very attractive red color extending to the center of the head. It is very hardy and the best of the red sorts for the home garden or for market. Ready for market in about 110 days.

Pkt. (500 seeds), 5¢; oz., 25¢.

Chinese or Celery

Cabbage Resembles celery, yet is something like Cos Lettuce. Firm, crisp, easily blanched, excellent as greens or salad. It is a delicious new vegetable, healthy and tasty either raw or cooked. Do not sow seed earlier than July 1st in rows 2½ feet apart and thin to 18 inches in row. If sown early it runs to seed; about 60 days.

Pkt. (250 seeds), 5¢; oz., 35¢.

Golden Acre

Extra early, good variety. Head begins to form when the leaves are no larger than a saucer, and its development is very rapid, perfectly round. Very solid. Matures in 70 days.

Pkt. (500 seeds), 5¢; oz., 30¢.

Copenhagen Market

Early round-headed Cabbage from Denmark. Heads very solid and compact, fine grained and tender. A vigorous grower and good keeper. Matures about 70 days.

Pkt. (500 seeds), 5¢; oz., 30¢.

Danish Ballhead

Hard and compact, and without doubt the very best for Winter storage, keeps in first-class condition for a long period. It is a sure header and always meets with a ready sale. Is especially recommended for growing for market purposes in the northern states. Matures in about 120 days.

Pkt. (500 seeds), 5¢; oz., 25¢.

World Beater

The King of Winter Cabbage, and we consider the best of large heading, main crop varieties. The solid heads are fine grained and keep well in Winter storage. Heads nicely rounded and have few outer leaves, permitting of close planting. Always a profitable crop. Matures in 110 to 120 days. Pkt. (500 seeds), 5¢; oz., 20¢.

CAULIFLOWER

A packet will produce about 125 plants and 1 ounce about 1500 plants. Leaflet, "How

to Grow Cauliflower" free with order if asked for.

Early Snowball

There is no better early variety than Snowball, making large, solid, pure white heads of the finest quality. It is recommended to use for early or late planting and matures in about 90 days.

Pkt. (200 seeds), 10¢;

¼ oz., 35¢.

Early Favorite

Recommended to inexperienced growers as it heads well under conditions that would be very unfavorable to other varieties; firm and pure white; matures in about 110 days.

Pkt. (200 seeds), 10¢;

¼ oz., 40¢.

Dry Weather

Best for localities subject to long dry seasons when all other varieties would be a failure. It will produce large, solid, pure white heads, is especially good for high ground. Matures in about 100 days.

Pkt. (200 seeds), 10¢;

¼ oz., 60¢.

Early Snowball Cauliflower

CELERY

For early crop sow in February or March in hotbed. A packet of seed will give 300 to 400 plants, ½ ounce about 3000 plants.

Golden Plume

Resembles Golden Self-Blanching in appearance, crispness and fine, nutty flavor, but earlier, larger and of ranker growth and apparently more disease resistant than any yellow Celery. Blanches golden yellow. 115 days.

Pkt. (1000 seeds), 10¢; ½ oz., 35¢.

Easy Blanching

It is more hardy and less liable to blight than others. Excellent keeper. Easily blanched. 130 days.

Pkt. (1000 seeds), 10¢; ½ oz., 25¢.

Golden Self-Blanching

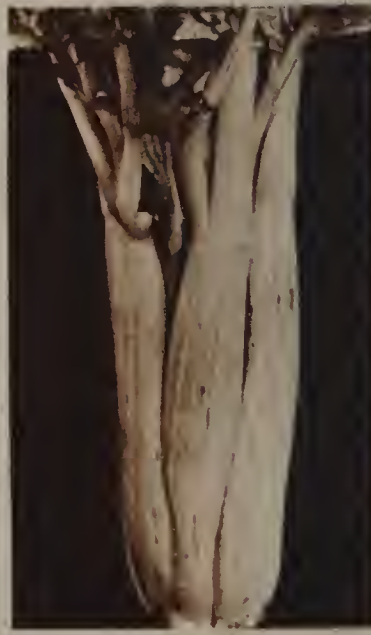

Standard variety for Winter use, stalks very thick and solid. Yellowish green until earthed up when blanch to golden yellow. 110 days.

Pkt. (1000 seeds), 10¢; ½ oz., 45¢.

Celeriac Or Turnip-Rooted

Celery. Forms a turnip-shaped root flavor of Celery. Good for stews, soups, and salads.

Pkt. (1000 seeds), 5¢; ½ oz., 20¢.

Golden Self-Blanching

Rhubarb

Rhubarb—GIANT CRIMSON

A most beautiful crimson color, of superb quality. The stalks are large and very uniform in size, having a thin, tender skin, and when cooked make a beautiful crimson sauce. Rhubarb is a wonderfully healthful vegetable and one of the first from the garden early in the Spring; easily grown from seed.

Pkt. (150 seeds), 5¢; oz., 20¢.

Asparagus —MARY WASHINGTON

Considered the best Asparagus to grow, producing large straight, dark green shoots with tips tight and firm, of fine flavor.

Pkt. (200 seeds), 5¢; oz., 15¢.

Okra or Gumbo

WHITE VELVET. Pods round, smooth, of white, velvety appearance, very tender, nice for soups, stews, etc.

Pkt. (50 seeds), 5¢; oz., 15¢.

GRAIN for POULTRY

Our customers who keep some poultry may be interested to know about a Poultry Grain we offer. It is called PROSO, an enormous yielder and matures a crop in a very short time; our plantings made in July were ready to harvest in less than 60 days. It grows more rapidly and matures quicker than other grains; reaches a height of 3 to 4 feet, stools and branches making 12 to 20 heads instead of one, and that is why it yields such enormous crops from very small plots of ground. It is claimed for feeding poultry Proso is equal to Wheat; it may be fed in bundles, as the kernels are readily scratched out of the heads, or fed as clean grain.

It may be planted any time from Corn planting time up to July 15th, and it will grow in soil that is not suitable for many other grains.

Illustration shows 21 Proso grain heads, one of which had 1185 grains. This accounts for its enormous yielding qualities. From a packet or ounce of seed you can test it out as a poultry feed and keep plenty to plant another year.

Pkt., 5¢; oz., 10¢; ½ lb., 30¢.

PEANUTS

Plant 6 to 8 inches apart in rows 2½ to 3 feet apart, break the pods before planting. Very interesting to grow in the garden in the North.

Early Spanish Earliest variety, maturing in about 100 days. Grows upright with heavy foliage, pods clustered at the base, are small but well filled with nuts of sweet flavor.

Pkt. (15 pods), 5¢; 4 pkts., 15¢.

Selected Mammoth

Makes compact bushes and spreading form with heavy stalks and large leaves. It produces great quantities of giant nuts, growing to an astonishing

Mammoth

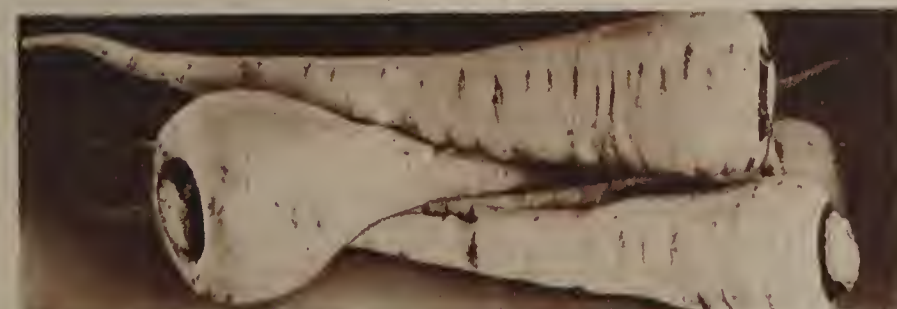

Spanish

size and does well if planted early and under favorable conditions in Northern gardens, maturing in about 120 days on light sandy soil. A favorite in the South.

Pkt. (10 Mammoth pods), 10¢; 8 pkts., 25¢.

PARSNIP

Grow plenty of Parsnips for Winter use. They are easy to grow. Packet for about 30-foot row; oz., 200 ft.

Long Smooth Imp. Roots large, flesh white, of fine flavor, cooking tender, rich and sweet. Roots hardy—may be left outdoors in Winter or stored in cool cellar, 100 days.

Pkt., 500 seeds, 5¢; oz., 15¢.

EGG PLANT

A packet will produce about 100 plants, ounce 1500 plants.

NEW YORK IMPROVED PURPLE. A favorite for both market and private use, and a standard sort in the South. Fruit is large, skin rich purple. About 130 days.

Pkt. (150 seeds), 5¢; oz., 40¢.

BLACK BEAUTY. The earliest variety that grows to good size. It is jet black, average weight 2 to 3 pounds. About 120 days.

Pkt. (150 seeds), 5¢; oz., 45¢.

N. Y. Purple

BROCCOLI

(Winter Cauliflower) Pkt. for 50 to 75 plants. Oz. for about 1500 plants.

ITALIAN GREEN SPROUTING. Distinct from other Broccoli producing a large head like Cauliflower, and later clusters of bluish-green heads on many branches. Stems and heads are cooked like Cauliflower.

Pkt. (100 seeds), 10¢; oz., 50¢.

Brussels Sprouts Known as Miniature Cabbage. Requires about 125 days to mature. A packet gives about 200 plants; ounce 2500 plants.

Perfection One of the best vegetables for Fall and Winter use. Grows about 2 feet high, thickly set with good sized "sprouts" of fine flavor.

Pkt. (250 seeds), 5¢; oz., 20¢.

Endive Sow seed in open ground; one packet for 20 foot drill, ounce 200 feet.

GREEN CURLED. Bright, deep green leaves, with center blanched a rich, creamy white. Pkt. (1500 seeds), 5¢; oz., 15¢.

KOHL-RABI Finer flavor and sweeter than turnips. Sow seed in Spring and again in June and July. Packet for 30 ft. row, ounce 300 ft.

EARLY WHITE VIENNA. Flesh white and tender, excellent forcing variety.

Pkt. (200 seeds), 5¢; oz., 20¢.

Kale Furnishes splendid "greens" for early Fall, Winter or Spring. A packet for about 150 plants, one oz., 2500.

DWARF GREEN CURLED SCOTCH. Dwarf and compact, with large, deep green leaves curled and crumpled.

Pkt. (200 seeds), 5¢; oz., 15¢.

TALL GREEN CURLED SCOTCH. Most popular growing 3 feet high, of finest quality. Grown same as cabbage.

Pkt. (200 seeds), 5¢; oz., 15¢.

Artichoke **GREEN GLOBE.** Considered a delicacy. It is easily grown and once established the supply is permanent.

Pkt., 10¢; ½ oz., 35¢.

Leeks **AMERICAN FLAG.** Stalks mild onion flavor and used same as onions. Pkt. (200 seeds), 5¢; oz., 20¢.

Mustard **SOUTHERN GIANT CURLED.** Plants 2 feet high and produce large bunches of tender, green leaves.

Pkt. (600 seeds), 5¢; oz., 10¢.

Collards **TRUE GEORGIA.** Forms a large, open head of leaves on a tall stem. Used in the South where it furnishes an abundance of food for the table or stock.

Pkt. (500 seeds), 5¢; oz., 15¢.

Corn Salad Can be cooked and used like spinach. Sow early in Spring for Summer use, or July or August for Fall use.

Pkt. (100 seeds), 5¢; oz., 20¢.

Water Cress Well known water plant highly esteemed for salads and garnishing. It must be grown along moist banks of streams or ponds or in tubs in water covered soil.

Pkt. (500 seeds), 10¢; 8 pkts., 25¢.

Pepper Grass Fine Curled. Used for salad; quick growing, leaves finely cut, crisp and pungent.

Pkt. (500 seeds), 5¢; oz., 15¢.

HERB SEEDS

For flavoring soups, meats, etc., a few pot and sweet herbs are necessary in every garden. Cultural directions on each packet. Those marked (P) are perennials and when once established in the garden will last for years.

CARAWAY (P). Seeds used for flavoring.

DILL (Annual). Leaves and seed heads used in pickling.

LAVENDER (P). Sweet scented light blue flowers, may be dried for its delicate perfume.

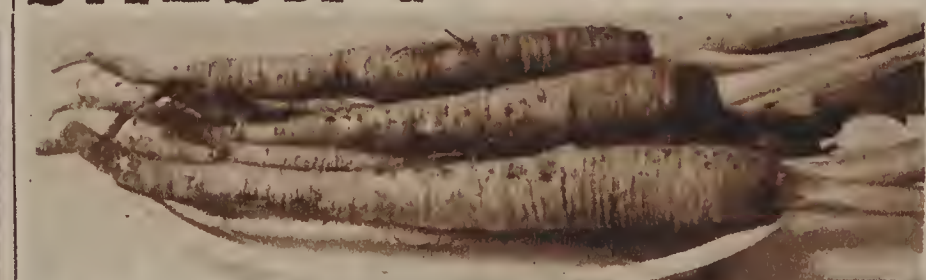

SAGE (P). One of the most popular herbs. Leaves are used for seasoning.

SWEET MARJORAM (Annual). Used for seasoning, either fresh or when dried.

Any of these herbs. Pkt. seeds sufficient for 25 to 50 plants.

Pkt., 5¢; 4 pkts., 15¢.

SALSIFY—Oyster Plant

Salsify is grown very much like Parsnips and is an excellent Winter and early Spring vegetable. May be left in ground all Winter. For Winter use dig in the Fall. A packet will sow about 15 ft. row, ounce 60 feet.

MAMMOTH SANDWICH ISLAND. Roots of superior quality. Sow seeds in Spring as roots require a full season to mature, about 120 days.

Pkt., 200 seeds 5¢; oz., 20¢.

CUCUMBERS

Cucumbers should be grown in every garden to have large fruits for slicing and small young fruits for pickling. Plant seed after danger of frost and at intervals up to July. One packet will plant about 15 hills, ounce 75 hills.

EARLIEST EVERBEARING —
Page 36.

Mills Fancy Pickles

For an attractive pickling Cucumber of small size there is nothing better than "Fancy Pickles." If fruits are regularly gathered, the vines continue bearing throughout the season. Fruits are very uniform, productive of fine flavor, dark green in color and a few vines will produce a great quantity. Ready in about 50 days.

Pkt. (150 seeds), 5¢; oz., 20¢.

Mills Earliest White Spine Fruits are deep green in color, surface smooth, flesh pure white; excellent for slicing, also pickling when small. About 60 days.

Pkt. (150 seeds), 5¢; oz., 15¢.

FANCY PICKLES

Straight Eight A very prolific new Cucumber and pronounced by many the most outstanding variety introduced in many years. As name indicates cucumbers are about 8 inches long when ready to use, straight and smooth, color medium green, and of excellent quality for slicing. About 60 days.

Pkt. (100 seeds), 5¢; oz., 20¢.

Japanese Climbing

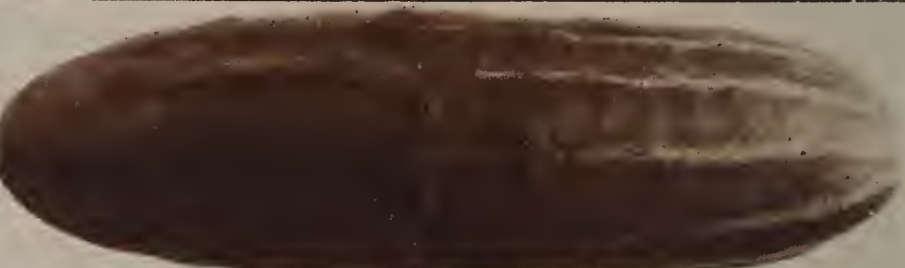

Well adapted for trellis culture. Young plants are rapid growers and may be grown on fences, poles or trellises. Fruits are from 8 to 10 inches in length, the dark green skin is smooth; flesh very crisp and mild flavored. About 60 days.

Pkt. (150 seeds), 10¢; oz., 20¢.

White Wonder The white skin is thin and white flesh of fine quality. Cucumbers are white from time they begin to set. 60 days. Pkt. (150 seeds), 5¢; oz., 20¢.

Special Mixture

A great mixture of Cucumbers including many kinds not listed; fine for the home garden for both slicing and pickling. Pkt. (150 seeds), 5¢; oz., 10¢.

Improved Long Green Fruits from 12 to 16 inches long, of superior quality. Flesh firm and crisp, young fruits used for pickling. and the full-sized cucumbers for slicing. 70 days.

Pkt. (150 seeds), 5¢; oz., 15¢.

Long China Fruit is so long and slender as to be considered a novelty. Skin dark green; pure white flesh very crisp and good for slicing. About 65 days.

Pkt. (50 seeds), 10¢; oz., 50¢.

LETTUCE

Sow seed at intervals for continuous supply. One packet will sow 20 to 30 ft. of row; ounce 250 feet.

ATLANTIC LETTUCE—See Page 36.

Earliest or 30-Day

The very earliest variety, forming a most compact mass of finely fringed and crumpled leaves, light green in color, crisp and tender. For the very earliest Lettuce grow this one. Ready in 30 to 40 days.

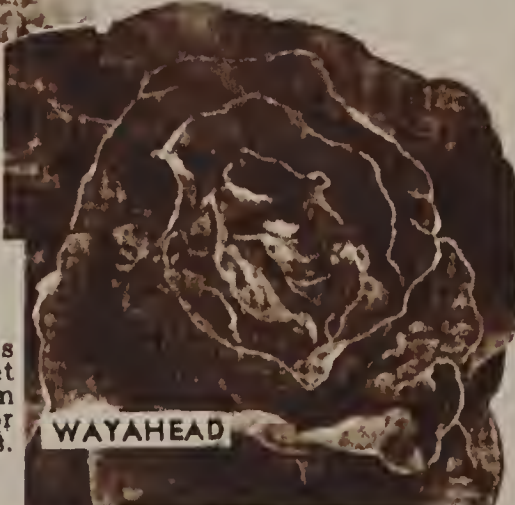

Pkt. (1000 seeds), 5¢; oz., 15¢.

30 DAY

Earliest Wayahead

Earliest head Lettuce. Has a fine, firm heart, sweet crisp flavor. Heads medium in size, crisp and tender for a long time. About 60 days. Pkt. (1000 seeds), 5¢; oz., 15¢.

WAYAHEAD

NEW YORK NO. 12

New York No. 12

The largest of all head Lettuce, of very fine quality and attractive green color. It withstands heat remarkably well, and is one of the most backward of any variety in running to seed. The tightly folded heart is well blanched to a beautiful silvery white. It is crisp, and sweet flavor. About 75 days. Pkt. (1000 seeds), 5¢; oz., 20¢.

Crisp-as-Ice

Leaves are crisp and brittle, somewhat curled with bronze edges, forming the compact head. It makes an unusually attractive head Lettuce of medium size. About 65 days.

Pkt. (1000 seeds), 5¢; oz., 15¢.

CRISP-AS-ICE

BIG BOSTON

Big Boston

Forms big, tender crisp heads of fine quality. Is adapted to open ground growing for Summer and Fall use or in frames for forcing. About 75 days.

Pkt. (1000 seeds), 5¢; oz., 15¢.

Romaine or White Cos

A loose-leaf Lettuce growing upright, forming a loose head of spoon-like leaves, growing very rapidly, and is crisp and fine flavored; center almost white. About 65 days. Pkt. (1000 seeds), 5¢; oz., 15¢.

Chicken Lettuce

Quite different from other Lettuce. Is ready in about 45 days after sowing. Will grow nearly 4 ft. tall before running to seed. Used for feeding poultry and rabbits and will yield more green feed than any other plant you can grow. After cutting the stumps will make new growth for cutting again.

Pkt. (1000 seeds), 5¢; oz., 15¢.

All-Seasons Lettuce Collection

One sowing produces salad for the season; a great assortment of all kinds, early and late; large and small, and lasts a long time. Pkt. (1500 seeds), 5¢; oz., 15¢.

ONIONS

Good sized onions are easily produced the first year from early Spring sown seed. A packet will sow about 30 feet of drill and one ounce 150 feet.

Culture Leaflet "How to Grow Onions from seed" free.

Earliest Express

Earliest and best yellow globe Onion, medium sized, beautiful in appearance, light yellow color, flesh pure white, mild flavor. About 90 days.
Pkt. (500 seeds), 5¢; oz., 30¢.

Early White Welsh

Grown for early green Onions or for bunching, as it does not make a bulb. It is very hardy and shoots attain marketable size very quickly. Color is pearly-white and flavor very mild. Sow seed in early Spring for Summer use, or late Summer or Fall in the South.
Pkt. (300 seeds), 5¢; oz., 25¢.

Giant Sweet Spanish A mild flavored Onion, and in all respects equal to the imported Spanish Onions. Skin silvery white, flesh pure sparkling white. About 105 days. Pkt. (500 seeds), 5¢; oz., 30¢.

Yellow Globe Danvers Bulbs globe-shaped, and always attain a good size. Outer skin is pale yellow, flesh white, mild; good keeper. About 110 days. Pkt. (500 seeds), 5¢; oz., 20¢.

Mammoth Silver King A mammoth white onion. The skin is a silvery white with flesh snow-white, very tender, mild and sweet. About 90 days. Pkt. (500 seeds), 5¢; oz., 30¢.

Red Wethersfield Old reliable sort, outer skin deep purplish red, smooth, flesh white, slightly tinged rose. 110 days. Pkt. (500 seeds), 5¢; oz., 20¢.

Prizetaker Skin thin, bright straw color, flesh white, crisp, mild. About 100 days. Pkt. (500 seeds), 5¢; oz., 25¢.

Early White Welsh

Prizetaker

Giant Sweet Spanish

White Pickling Earliest ripening Onion and best for small pickles, averaging from 1 to 1½ inches in diameter, pure white, very mild, delicate flavor. Also fine for bunching for early market. 75 days.
Pkt. (300 seeds), 5¢; oz., 30¢.

RADISHES

One of the earliest vegetables from the garden in Spring. First sowings may be made as soon as frost is out of the ground and succession plantings every 10 days. Packet for 20 ft. row, oz. 100 ft.

NEW RADISH—Billiard Ball, Page 36.

Earliest

French Breakfast Rose scarlet, tipped white, very rapid grower, is oblong in shape, quality is crisp and tender. Favorite for the home garden. Ready in 22 to 25 days. Pkt. (500 seeds), 5¢; oz., 10¢.

Crimson Giant

Grows larger than any of the early round sorts. A beautiful deep crimson. Flesh is white, firm and crisp, mild in flavor. Matures in about 30 days. Pkt. (500 seeds), 5¢; oz. 10¢.

Crimson Giant

French Breakfast

Mills Earliest or 15-Day This is the quickest growing scarlet globe Radish we have ever grown. Is of fine shape and color with small top. The pure white flesh is very crisp with a mild flavor. We consider it one of the best Radishes for the home garden. Ready in 15 to 20 days. Pkt. (500 seeds), 5¢; oz., 10¢.

Icicle Best early long white Radish. Roots white, crisp and mild until they become quite large, being most excellent for table use up to 6 inches in length; is earliest of the long-rooted sorts. Ready in about 30 days. Pkt. (500 seeds), 5¢; oz., 10¢.

Long Scarlet Short Top Roots long, straight, smooth, scarlet, crisp; quick grower. About 30 days. Pkt. (500 seeds), 5¢; oz., 10¢.

Mammoth White Winter Grows very large; skin white; flesh solid, crisp and sweet. Seed should be sown about July 1st, same as Turnips. About 60 days. Pkt. (500 seeds), 5¢; oz., 10¢.

All-Seasons Radish Mixture

Contains a great collection of all kinds, colors and shapes, for the home garden. One sowing is all that is required for a continuous supply. Ready for use from about 18 to 45 days. Pkt. (500 seeds), 5¢; oz., 10¢.

Mills Gourds

World's GREATEST COLLECTION

This is the greatest collection of odd, rare, strange and curious Gourds we have ever assembled, and the photo shows some of the many shapes and sizes. Vines are fine for covering unsightly places. The attractive fruits are always greatly admired and when dried may be used in many ways as dippers, hanging baskets, etc.

—Seeds are various sizes—

Pkt. (30 to 50 seeds), 5¢; oz., 30¢.

SWEET CORN

Do not plant sweet corn until danger of frost has passed and ground warmed up. For succession plant every two weeks to July. Packet to 25 hills, one-half lb. 175 hills.

EARLIGOLD—New Early Hybrid—Page 37.

Mills First of All One of the earliest Sweet Corns for the home garden. It is rather dwarf in growth but produces good sized ears of superior quality, tender and sweet. 65 to 70 days.

Pkt. (over 100 seeds), 8¢; ½ lb., 22¢.

Golden Bantam A most famous Sweet Corn, growing 4½ to 5 feet high, usually bearing 2 or more ears to the stalk. The ears are a rich golden yellow. Suited for extra early and late planting up to July 15th. 75 to 80 days.

Pkt. (over 100 seeds), 10¢; ½ lb., 25¢.

Golden Cross Bantam—Hybrid Ears 8 to 10 inches long, 10 to 14 rows of light Golden kernels, fine flavor and quality. Stalk 5 to 6 feet, dark foliage. Very uniform in both ear size and maturity. A Hybrid well adapted to wide range of soils and is wilt resistant. About 85 days.

Pkt. (over 100 seeds), 10¢; ½ lb., 30¢.

Howling Mob A favorite for the home garden, producing ears 7 to 8 inches long, closely set with 12 to 14 rows of pearly-white grains. One of the best of the large varieties and will take the place of the Evergreen sorts. Very desirable for drying or canning. About 85 days.

Pkt. (over 100 seeds), 10¢; ½ lb., 25¢.

POP CORN

American Wonder Truly a Wonder for Size. Largest Pop Corn we have ever grown, stalks producing from 2 to 4 perfect ears from 7 to 10 in. long. Kernels large, pearly-white and pops out very large. Pkt. (150 seeds), 10¢; ½ lb., 30¢.

Australian Hulless Also known as Japanese Rice, Tom Thumb or Bumble Bee. Kernels similar to White Rice but longer and pearly-white.

Pkt. (150 seeds), 10¢; ½ lb., 30¢.

White Rice Well-known old reliable variety.

Pkt. (150 seeds), 10¢; ½ lb., 25¢.

First of All

Golden Bantam

Golden Cross Bantam

Howling Mob

GARDEN PEAS

For a continuous supply make sowings every two weeks until June. Sow again in August for Fall crop. Packet will sow 15-ft. row; one-half pound 50 feet of row.

FIRST OF ALL

EARLIEST PREMIER

TELEPHONE

MAMMOTH M. SUGAR

ENORMOUS

Mills First of All One of the best early smooth Peas, of rapid growth. Vines grow 20 to 24 inches high, are productive, and pods are well filled with peas of good quality. Ready in about 58 days.

Pkt. (150 seeds), 10¢; ½ lb., 25¢.

American Wonder One of the earliest of the early wrinkled Peas and grows only 10 to 12 inches high and very prolific with pods well filled with peas. Will mature in about 60 days, and the short, robust vines require no support.

Pkt. (150 seeds), 10¢; ½ lb., 25¢.

Earliest Premier We recommend this as the very best extra early wrinkled Pea for the all-purpose garden, about 22 in. tall. Pods well filled with large peas and is ready for table use in 60 days after planting. It's our best wrinkled, early Pea.

Pkt. (150 seeds), 10¢; ½ lb., 30¢.

Everbearing A well known Pea. Bears over a long season, pods well filled with large peas of fine quality and usually does not require support for the vines, as they are very robust and commence to produce pods in 70 to 80 days. Vines grow about 2 feet high, of a branching habit and one of the best main crop garden Peas.

Pkt. (150 seeds), 10¢; ½ lb., 25¢.

Telephone A reliable variety growing about 2 feet high, producing a big crop of fine wrinkled Peas of the finest flavor. Pods are fit for picking in about 75 days.

Pkt. (150 seeds), 10¢; ½ lb., 25¢.

Mammoth Melting Sugar

(Edible Pods.) Pods can be cooked with the Peas, and are very tender, brittle, juicy and sweet flavor. Vines grow 4½ feet tall, loaded with large pods. 84 days.

Pkt. (150 seeds), 10¢; ½ lb., 30¢.

Mills Enormous Many of our customers know the value of this variety and for a large Pea will have no other. It is a heavy cropper, many pods being 4 to 5 inches long, with 8 to 10 extra large dark green Peas of most excellent flavor. Vines grow to a height of 3 to 3½ feet, pods being produced in great abundance, and are ready in about 72 days.

Pkt. (150 seeds), 10¢; ½ lb., 30¢.

MUSKMELONS—Cantaloupes

Plant some Muskmelons for home use. One packet for 10 to 15 hills; one ounce 40 to 50 hills. Leaflet "How to Grow Melons" free if asked for. **MILLS EARLIEST**—See Page 37.

Hearts of Gold

(Salmon flesh). Of the very finest quality, the rich, firm, salmon-flesh ripening to the rind; of delicious flavor. The netting is exceptionally fine and extends over the entire surface of the tough, thin rind. Its vine is very vigorous and a heavy cropper. Ready in about 85 days.

Pkt. (200 seeds), 5¢; oz., 15¢.

Banana (Salmon flesh) 15 to 20 in. in length, the deep flesh having a banana-like aroma and fine flavor. About 90 days.

Pkt. (200 seeds), 5¢; oz., 15¢.

Honey Dew Fruits smooth, almost white, averaging about 6 inches in diameter; the flesh is thick and sweet. Matures in about 115 days

Pkt. (200 seeds), 5¢; oz., 15¢.

Mixed Muskmelons comprising green-orange and salmon-fleshed, of all best early and late kinds.

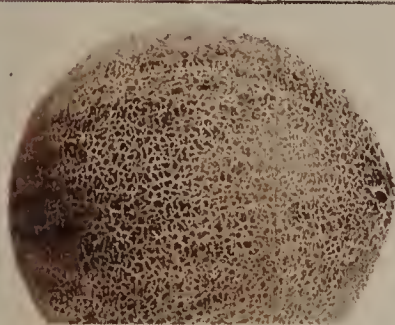

Pkt. (200 seeds), 5¢; oz., 10¢.

Hale's Best (Orange Flesh)

Delicious thick orange flesh. The vine produces heavily in medium sized fruits, slightly oval, attractively netted. Will stand shipment to market. About 85 days.

Pkt. (200 seeds), 5¢; oz., 15¢.

Honey Rock

(Salmon Flesh)

Deeply colored salmon flesh. Melons are surprisingly heavy; deliciously sweet, is of unusually fine and firm texture. About 85 days.

Pkt. (200 seeds), 5¢; oz., 15¢.

Weaver Special

New Muskmelon has reddish golden flesh. Outside surface golden ivory color. Flavor all its own; seed is in a very small cavity. 85 days.

Pkt. (100 seeds), 5¢; oz., 15¢.

Mills Giant (Salmon Flesh)

Very large first quality Melons, flesh thick and sweet. Fine variety for home garden. About 90 days.

Pkt. (200 seeds), 5¢; oz., 15¢.

WATERMELONS

A packet of seed will plant 8 to 10 hills and one ounce 20 to 25 hills. Leaflet "How to Grow Melons" free with order if asked for.

Pkt. (75 seeds), 5¢; oz., 10¢.

Golden Honey Rich, golden flesh, quality first class. Rind is dark green, mottled and veined. About 90 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

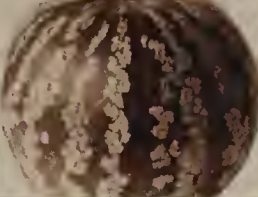

Imp. Kleckley Sweets

Earliest of the large Melons and good for home gardens or nearby market. Dark green glossy skin, rind thin, flesh bright scarlet, crisp and sweet. About 85 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

Citron Grown for preserving. 100 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

Mixed A great assortment for the home garden, in a mixture.

Pkt., 100 seeds 5¢; oz., 10¢.

Earliest Watermelon

A splendid early Melon for the home garden, and especially the northern gardens. Weight varies from 10 to 20 pounds, according to the location, soil and weather conditions. Skin is mottled green and white flesh red, sweet, juicy and crisp. Will mature as far north as Canada. Matures in about 80 days.

Pkt. (75 seeds), 5¢; oz., 15¢.

Stone Mountain

Imp. Kleckley Sweets

PEPPERS

There is an increasing demand for good Peppers. A packet will produce about 75 plants or one ounce from 1200 to 1500 plants.

California Wonder Large size, thick, mild, sweet, crimson color, very productive. 125 days.

Pkt., 100 seeds 5¢; 1/2 oz., 30¢.

Golden Queen A large yellow Pepper of fine quality, very sweet, mild, pleasant flavor. About 125 days.

Pkt., 100 seeds 5¢; 1/2 oz., 25¢.

Pimiento Plants of upright growth, fruit attractive shape and mildest flavor of all peppers, fine for canning and salads. About 130 days.

Pkt., 100 seeds 5¢; 1/2 oz., 25¢.

Long Red Cayenne Favorite hot Pepper, fruits 3 to 4 inches long, bright red, very productive. About 125 days.

Pkt., 100 seeds 5¢; 1/2 oz., 25¢.

Chinese Giant Plants grow about 18 inches high, thickly set with enormous fruits of a glossy scarlet; flesh thick and meaty. About 130 days.

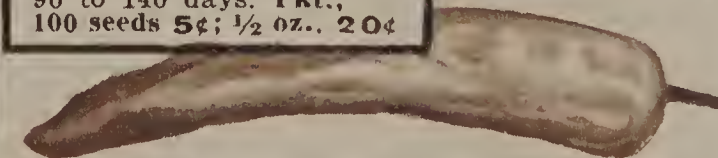

Pkt., 100 seeds 5¢; 1/2 oz., 35¢.

California Wonder

Mixed Peppers

A great assortment of various colors and shapes. 90 to 140 days. Pkt., 100 seeds 5¢; 1/2 oz., 20¢.

Hungarian Wax Slender hot Peppers, 5 to 7 inches long of a bright waxy-yellow color. Plants strong and produce great quantities of fruit. 120 days.

Pkt., 100 seeds 5¢; 1/2 oz., 40¢.

Golden Queen

Pimiento

Chinese Giant

TOMATOES

half ounce, 1500 plants.

Leaflet "How to Grow Tomatoes" free with order if asked for. GIANT CLIMBING or MAMMOTH PRIZE—Page 37.

Grow plenty of Tomatoes. No garden is complete without them. Packet of seed should produce over 100 plants; one-

Marglobe

The Popular Wilt and Rust-Resistant Variety.

Very productive, globe shaped, scarlet color, and superb table qualities. A heavy yielder, producing attractive big clusters of large fruit. Being free from wilt and rust diseases it is very valuable for market or home garden. 90 to 100 days. Pkt. (150 seeds), 5¢; ½ oz., 25¢.

White Beauty

Fruit ivory white, flesh almost paper white. Grows to a good size, is firm and solid and almost free from acid. Pkt. (100 seeds), 5¢.

Golden Queen

Best large yellow, handsome fruits, very smooth, solid and meaty; it is less acid than many varieties, fine flavor. 110 days. Pkt. (150 seeds), 5¢; ½ oz., 25¢.

Pritchard

Scarlet Topper An outstanding new Wilt-resistant tomato, extra early, large, smooth, solid, scarlet color and very productive. Very small seed pockets and no core. 95 days. Pkt. (150 seeds), 5¢; ½ oz., 25¢.

The Burbank

Earliest of Tomatoes

A Luther Burbank creation; is the earliest and smoothest. Fruit is medium in size, bright crimson, thick, solid and heavy. They are so solid that the skin is more readily removed than with other varieties. Thousands of our customers are pleased with this early Tomato. Begins to ripen in about 85 days.

Pkt. (150 seeds), 5¢; ½ oz., 50¢.

Penn State

A new early, high quality tomato, and a leader in productiveness. The large solid, globe shaped fruits of a rich dark crimson, are of the finest quality, almost seedless and produced in large clusters on quite compact and strong plants. A money maker and a superb home garden variety. About 90 days.

Pkt. (150 seeds), 5¢; ½ oz., 35¢.

Oxheart

Large pink, heart-shaped fruits, some often weighing 3 lbs.; are almost seedless, of mild flavor, very productive variety for home gardens, much talked about. 115 days.

Pkt. (150 seeds), 5¢; ½ oz., 35¢.

Ponderosa

The Big Tomato Sometimes called Beefsteak, the large fruits are solid with few seeds, have a rather mild flavor. The strong vines carry large quantities of fruit. 110 to 120 days.

Pkt. (200 seeds), 5¢; ½ oz., 30¢.

Mixed Tomatoes

Seed of all the Tomatoes we have and others, from the earliest to the latest, varying in colors, shapes and sizes. Pkt. (200 seeds), 5¢; ½ oz., 20¢.

Ground Cherry

Mammoth Fruited

Will grow in any soil easily as tomatoes. Fruit when ripe is of luscious flavor. For sauce and pies, also for preserving, is fine and dried in sugar the fruits are used like raisins for cakes and puddings. They will keep in the shuck, if in a cool place, nearly all Winter. Fruits in about 120 days. Cultural directions and cooking recipes on every packet.

Pkt. (200 seeds), 5¢.

Garden Berry

A very attractive garden fruit requiring the same culture as tomatoes, maturing in 3 to 4 months from seed. Plants grow from 2 to 3 feet high and the berries are produced in clusters which should be picked when thoroughly ripe, when they are about one-half inch in diameter and shining black color.

Pkt. (50 seeds), 5¢.

PUMPKINS

No farm should be without some Pumpkins—some big ones for exhibition purposes, plenty of Pie Pumpkins and some for stock. Packet seed will plant 6 to 10 hills, ounce 25 hills.

Winter Luxury

Enormously productive, of medium size, and is a yellowish russet color. The flesh is a deep golden color, sweet and tender. Matures in about 95 to 110 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

Mills Giant

Under special cultivation attains a weight of over 100 lbs. Outer skin is a rich orange-yellow. Flesh yellow, very thick; good Winter keeper and will mature in 100 to 120 days. A prize winner.

Pkt. (30 to 40 large seeds), 5¢; oz., 15¢.

Yellow Field

The yellow Pumpkin planted in fields for stock feeding, growing to a large size, nearly round and very productive, called by some "Big Tom Pumpkin." 115 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

Surprise Mixture

A wonderful collection of Pumpkins in odd shapes and mammoth sizes, many different colors. Very interesting.

Pkt. (100 seeds), 5¢; oz., 10¢.

Golden Sugar Pie

One of the very best for pies. Fruits are small, averaging about 10 inches in diameter, with skin deep orange-yellow and flesh very fine grained, sweet and of delicious flavor. A prolific yielder, an excellent keeper and cannot be excelled as a Pie Pumpkin. Matures in about 110 days.

Pkt. (75 seeds), 5¢; oz., 10¢.

Winter Luxury

GIANT

SQUASH

A profitable crop and one of the best that is produced from the home garden. Packet of Summer varieties will plant 8 hills, oz. 40, or Winter sorts Pkt. 6 hills, oz. 30.

Acorn or Table Queen Grows about 7 in. long and 3 in. thick, green skin. Cut in halves and baked its delicious flavor is a pleasant surprise, very dry and mealy, a rich orange in color, is very productive and keeps well. 75 days. Pkt., 75 seeds 5¢; oz., 15¢.

Mammoth White Bush Skin white; flesh very tender, uniform in size and shape, very productive. 50 days. Pkt., 75 seeds 5¢; oz., 10¢.

Golden Delicious An early Winter variety of medium size, preferred by some to the Hubbard. Shell hard but thin, bright yellow flesh, fine grained. Ideal home garden Squash. 100 days. Pkt., 60 seeds 5¢; oz., 15¢.

Golden Summer Crookneck Favorite among the Summer Squash; has a heavily warted shell with deep golden yellow flesh, plant bushy habit. 55 days. Pkt., 75 seeds 5¢; oz., 15¢.

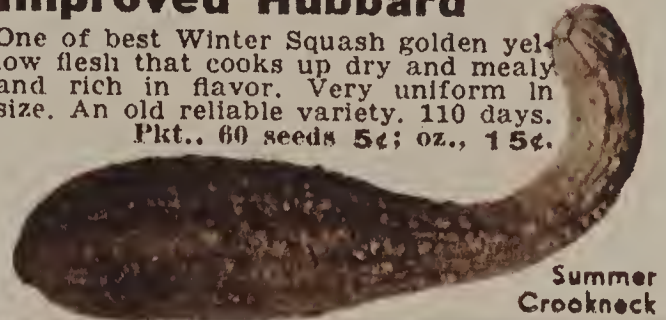

Mixed Squashes

A wonderful collection of many kinds. In it will be found Squashes of various colors and shapes, large and small. Pkt., 75 seeds 5¢; oz., 10¢.

Improved Hubbard

One of best Winter Squash golden yellow flesh that cooks up dry and mealy and rich in flavor. Very uniform in size. An old reliable variety. 110 days. Pkt., 60 seeds 5¢; oz., 15¢.

Summer Crookneck

Acorn or Table Queen

Golden Delicious

TABLE TURNIPS

One packet of seed will sow about 40 feet of row; one ounce 200 ft.

PURPLE TOP WHITE GLOBE

Large, globe-shaped variety with purple top and lower part of bulbs pure white. Heavy yielder and of excellent quality for table use. 70 days. Pkt. (2000 seeds), 5¢; oz., 10¢.

EARLY SNOWBALL OR SIX WEEKS

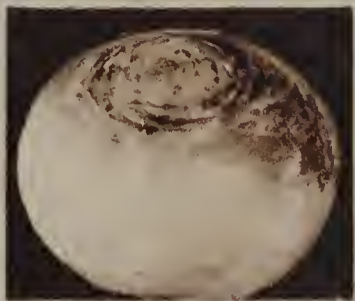

A white variety, bulbs having pure white skin and are nearly round, tender and sweet. One of the very best to sow in the early Spring. Develops rapidly 50 days. Pkt. (2000 seeds), 5¢; oz., 10¢.

EARLY PURPLE TOP STRAP LEAF

The roots are quite flat, flesh fine grained, sweet and tender. Develop quickly for table use. Seed sown in July produces Turnips in Fall. Pkt., 2000 seeds, 5¢; oz., 10¢.

Purple Top White Globe

E. P. T. Strap Leaf

Turnips & Rutabagas Mixed

A great mixture of garden Turnips and Rutabagas including both white and yellow-fleshed varieties. Will mature roots all the way from 45 to 100 days. Pkt. (3000 seeds), 5¢; oz., 10¢.

RUTABAGAS

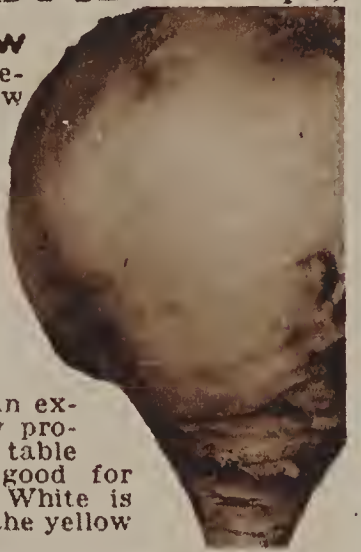

(Winter Turnips)

Purple Top Yellow

Large, smooth, globe-shaped roots, yellow skin, flesh, fine grained, sweet and we consider it the best yellow Rutabaga. About 90 days. Pkt. (2000 seeds), 5¢; oz., 10¢.

Giant White

Large size with white flesh crisp and sweet, roots uniform in size, of good shape and is an excellent keeper. Is very productive and a good table variety and is also good for stock feeding. Giant White is preferred by many to the yellow sorts. About 90 days. Pkt. (2000 seeds), 5¢; oz., 10¢.

CAUTION—Beware of traveling salesmen or agents claiming to represent us, soliciting orders for seeds, plants, bulbs, etc., and asking for payment in advance. We never employ traveling salesmen, because all our seeds are sold through mail orders from our Seed Books or

other advertising mediums. If such a salesman, claiming to represent us calls on you, please notify us at once.

F. B. MILLS Seed Grower, Rose Hill, N. Y.

Eight Outstanding Novelties and Specialties

Morning Glory—Scarlett O'Hara

New color in Morning Glories, rich dark wine-red or rosy crimson. Plants rapid growers beginning to flower in about 65 days from seed. Very lovely and a gold medal winner. Seeds limited—12 seeds 15¢.

Marigold—Flaming Fire

In our Marigold trials Flaming Fire attracted the most attention. The single flowers vary in color from flaming velvety red to various markings of red and yellow. Very unusual. 40 seeds 10¢; 70 seeds 15¢.

New SCABIOSA—Pompadour

A new color in Scabiosas and one that will attract every one's attention. It is tall, large flowering, of stately habit, having flower-heads of beautiful wine-red color with white markings. 30 seeds 10¢; 50 seeds 15¢.

RUSSELL LUPINS—New Hybrids Much Talked About

A remarkable new strain of Perennial Lupins which has gained world recognition due to its really outstanding qualities. It contains many colors and color variations not seen before in Lupins, and flower spikes are very uniform. Culture on packets.

Mixed Hybrids—15 seeds 10¢; 25 seeds 15¢; 50 seeds 25¢.

Mills Great Novelty Cactus Collection

Growing Cactus from seed is easy and very fascinating. We have made up a Novelty Collection including seeds from many different species, many impossible to describe on account of the odd and curious plants and many rich and unusual colors. Culture on pkts.

Mixed—20 seeds 5¢; 50 seeds 10¢; 150 seeds 25¢.

Tahoka Daisy

Plants have fern-like foliage and produce great quantities of showy lilac-blue flowers with golden yellow centers. It is early and easy to grow from seed.

40 seeds 5¢; 100 seeds 10¢.

Calendula—Orange Fantasy

A new crested Calendula producing flowers 3 to 4 in. across with inner petals crested and outer petals somewhat ruffled of coppery orange, edged mahogany-red. Very showy.

40 seeds 5¢; 100 seeds 10¢.

New Eschscholtzia—Cherry Ripe

This Novelty is a new color in Eschscholtzias. Flowers are semi-double of a bright cerise color suffused terra cotta at the base; a border of Cherry Ripe makes a vivid show.

80 seeds 5¢; 200 seeds 10¢.
